STUDENT HANDBOOK
Public Health and Professional Degree Programs

- Public Health Programs
- MS-Biomedical Sciences Program
The contents of this handbook describe the academic policies and procedures of Tufts University School of Medicine’s Public Health Programs and Professional Degree Programs. This handbook is for informational purposes only and does not constitute a contract between the University and any applicant, student or other party. The University reserves the right to make changes, without notice, in any course offering, requirement, policy, regulation, date, and financial or other information contained in this handbook. Questions regarding the content of this handbook should be referred to the Office of Student Services for Public Health Programs and Professional Degree Programs at 617-636-0935.

NOTICE OF EQUAL OPPORTUNITY
Applicants for admission and employment, students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Tufts University are hereby notified that this institution does not discriminate on the basis of race, color, national origin, sex, age, disability or any other protected category in admission or access to, or treatment or employment in its programs and activities. In addition, it is the policy of Tufts University that educational and employment decisions made by it should be based on the principle of equal opportunity. The consideration of factors such as sex, race, color, sexual orientation, national or ethnic origin, age, religion, Veterans status or disability unrelated to a person's ability, qualifications and performance is inconsistent with this policy.

VIOLENCE FREE UNIVERSITY POLICY STATEMENT
Tufts University is committed to maintaining an environment where individuals are safe to learn, work and live. In support of this commitment, Tufts will not tolerate violence or threats of violence anywhere on its campuses or in connection with university-sponsored programs. The university has established threat assessment and management teams to evaluate and address violence and threats of violence made towards members of the Tufts University community.

May 11 Spring grades due for graduating students
May 15 Spring grades due for non-graduating students
May 17 Commencement
Spring 2020 PHPD Class Meeting Dates

MD/MPH, DVM/MPH and MD/MBA Classes: First and second year classes meet every Tuesday afternoon unless otherwise noted.

Monday (M):
January 22 (Wed), 27, February 3, 10, 20 (Thurs), 24, March 2, 9, 23, 30, April 6, 13, 27, May 4

Tuesday (T):
January 21, 28, February 4, 11, 18, 25, March 3, 10, 24, 31, April 7, 14, 21, 28

Wednesday (W):
January 15, 29; February 5, 12, 19, 26; March 4, 11, 25; April 1, 8, 15, 22, 29

Thursday (R):
June 16, 23, 30, February 6, 13, 27, March 5, 12, 26, April 2, 9, 16, 23, 30

Friday (F):
January 17, 24, 31, February 7, 14, 21, 28, March 6, 13, 27, April 3, 10, 17, 24

Note: Monday, January 20 and February 17 are University Holidays. Monday Classes will be held on Wednesday, January 22 and Thursday, February 20. There will be no Wednesday classes on January 22 and no Thursday classes on February 20.
Summer 2020 Semester

PHPD Academic Calendar

- MD/MPH, DVM/MPH and MD/MBA students follow the Medical and Cummings Veterinary Schools’ academic calendars
- MS-Biomedical Sciences students follow the 2nd academic calendar noted in this handbook

MAY

May 19  Last day to withdraw from Summer Session I or Full Summer course (begins in Summer Session I and ends in Summer Session II) with a full tuition refund; a withdrawal form must be filed with the Office of Student Services. Refer to p. 59 for Tuition Refund Policy.
May 20  Summer Session I Classes begin.
May 25  Memorial Day (University holiday); Administrative offices closed. No classes.
May 26  Last day for Summer Session I course adjustments (add or drop without a "W")

JUNE

02  Last day for Full Summer course adjustments; these courses begin in Summer Session I and end in Summer Session II (add or drop without a "W")
03  Last day to withdraw from a Summer I course and receive a "W"

JULY

July 3  Independence Day (University holiday) Administrative offices closed. No classes.
July 6  Summer Session II Classes begin
July 13  Last day for Summer Session II course adjustments (add or drop without a "W")
July 14  Last day to withdraw from a full Summer course and receive a "W"
July 20  Last day to withdraw from a Summer Session II course and receive a "W"

AUGUST

21  Summer Session II/Full Summer classes end
25  Summer Session II and full summer courses grades due
Summer 2020 PHPD Class Meeting Dates

MD/MPH, DVM/MPH and MD/MBA Classes: First and second year classes meet every Tuesday afternoon unless otherwise noted.

SUMMER SESSION I

Monday (M):
May 29 (Fri), June 1, 8, 15, 22, 26 (Fri), 29

Tuesday (T):
May 26, June 2, 5 (Fri), 9, 16, 23, 30

Wednesday (W):
May 20, 27, June 3, 10, 17, 24, July 1

Thursday (R):
May 21, 28, June 4, 11, 18, 25, July 2

SUMMER SESSION II:

Monday (M):
July 6, 13, 20, 27, August 3, 10, 17

Tuesday (T):
July 7, 14, 21, 28, August 4, 11, 18

Wednesday (W):
July 8, 15, 22, 29, August 5, 12, 19

Thursday (R):
July 9, 16, 23, 30, August 6, 13, 20

Full summer courses meet for all the above noted dates. Certain courses meet on additional Friday dates as noted on the course schedule.
MS-Biomedical Sciences Program

JUNE
29  Last day to withdraw from a Summer course and receive a "W"

AUGUST
23  Last day of the summer semester

POLICY ON RELIGIOUS HOLIDAYS

It is University policy that all classes will be held on religious holidays such as Rosh Hashanah, Yom Kippur, Ash Wednesday and Good Friday. However, every attempt will be made to not schedule examinations or quizzes on such days. Any student who anticipates difficulty meeting requirements due to religious beliefs must inform the course director before such course work is missed. Any student who is unable to participate in an examination or course requirement because of his/her religious beliefs will be given the opportunity to make up the missed examination(s) and/or course requirement(s).

Instructors may reschedule classes due to religious beliefs or unforeseen circumstances. Every effort will be made to reschedule the class on a day that is convenient for both

[http://publichealth.tufts.edu](http://publichealth.tufts.edu)
ACADEMIC POLICIES AND PROCEDURES

STANDARDS OF WORK

A grade of B- or better is considered a passing grade for a course. When a student receives a course grade below a B- s/he will receive a warning letter from the Dean of Public Health and Professional Degree Programs informing them that receiving a second grade below a B- will result in Academic Probation and may result in dismissal from the program.

Students who have earned at least 9.0 credits, with a cumulative GPA of 3.0 or below or received two or more final grades of B- will be reviewed by Dean for Public Health and Professional Degree programs to ensure satisfactory academic progress is being made.

Students placed on Academic Probation will be reviewed by the Public Health and Professional Degree Programs Promotions Committee and may be referred to the Tufts University School of Medicine (TUSM) Student Evaluations and Promotions Committee to be considered for denial of advancement or dismissal from the program. At any PHPD Promotions Committee meeting where the possible dismissal of a student is to be discussed, the student will be notified ahead of time and invited to address the Committee. Final decisions on dismissal are made by the TUSM Student Evaluation and Promotions Committee. Any student who is reviewed by the TUSM Student Evaluation and Promotions Committee has the right to appear before and address the committee. Any student who is denied advancement or dismissed by the TUSM Student Evaluation and Promotions Committee has the right to appeal this decision to the TUSM Student Appeals Committee.

Students who receive a grade of less than a B in a course may repeat the course in order to attempt to earn a better grade. If a student re-takes a course and passes it, s/he receives credit for the course; both grades are included on the student transcript and in computation of the GPA. No more than 2 courses may be re-taken in this manner. Any given course may only be counted once toward a PHPD degree or certificate requirement.

Although a grade of B- is considered a passing grade for an individual course and will be counted toward degree credit, a cumulative GPA of 3.00 is required in order to be granted a degree from a Tufts University PHPD Programs. A student who has lower than a 3.00 in their final semester may be encouraged by the PHPD Promotions Committee to re-take one or more courses, may be permitted to take some additional elective courses (for no more than one semester) in an effort to improve the student’s cumulative GPA, or may be dismissed from the program.

ACADEMIC PROBATION

If a student on Academic Probation receives no grades below a B (or S in the case of thesis work or other course graded S/U) in the semester subsequent to being placed on Academic Probation, that student will be removed from Probation. Otherwise, that student will no longer be considered in good academic standing and will be reviewed again by the Promotions Committee for possible referral to the TUSM Student Evaluation and Promotions Committee for dismissal.

SATISFACTORY ACADEMIC PROGRESS

Federal regulations require the Tufts School of Medicine Public Health and Professional Degree programs to establish Satisfactory Academic Progress standards for students who are awarded federal financial aid funds. The following standards apply to all matriculated students, whether they are financial aid recipients or not. Students who fail to maintain Satisfactory Academic Progress during any semester may be placed on Financial Aid warning, Financial Aid probation and/or academic plan, suspension or may be dismissed, in accordance with the policies of the PHPD program. Students who are terminated from financial aid eligibility may continue their studies but are required to self-pay and make payment arrangements through the Bursar’s office.

The standards of Satisfactory Academic progress measure a student’s performance in three areas: maximum timeframe, cumulative grade point average (GPA) and cumulative completion rate. The student’s academic progress shall be evaluated at the end of each semester. Academic Progress for both part-time and full-time students will be evaluated under the criteria given below.
**Maximum Timeframe Allowance**

PHPD students will be evaluated to determine if they have achieved satisfactory levels of academic progress. In order to achieve satisfactory academic progress, a student must complete their degree requirements within 150% of the program's published length in accordance with the standards established by their program as noted below:

**Grade point average ("GPA")**

As part of the Satisfactory Academic Progress assessment, students will be evaluated to determine if they have achieved satisfactory levels of academic progress. In order to achieve satisfactory academic progress, a student must earn a minimum GPA in accordance with the chart below:

Although a grade of B- is considered a passing grade for an individual course and will be counted toward degree credit, a cumulative GPA of 3.00 is required in order to be granted a degree from a Tufts University PHPD Program.

Transfer credits are not included in calculation of the GPA and are not included when determining Satisfactory Academic GPA requirements.

**Completion Rate (Credit Hour Progression)**

As part of the Satisfactory Academic Progress assessment, each student’s cumulative Completion Rate will be evaluated by comparing the total number of attempted credit hours with the total number of credit hours earned. In order to achieve satisfactory academic progress, a student must earn a minimum percentage of credits attempted in accordance with the chart below:

Credits attempted are those hours a student is registered for at the conclusion of the add/drop period each semester as defined by the Registrar’s Office. All classes for which a student is registered after that date will be included.

Successfully completed credit hours is defined as the total number of hours which a student receives a grade of B- or better.

**Treatment of course withdrawals, incomplete(s)/not reported, repeated courses and transfer courses**

*Withdrawals (W):* Credit hours for courses dropped before the conclusion of the add/drop period that no longer appear on the student’s enrollment record or transcript will not count as a course attempted. Credit hours for courses in which a student has remained enrolled after the Drop/Add period for which the student receives a "W" grade, will count as a course attempted.

*Incompletes (I):* Credit hours for courses in which a student has an incomplete grade or the faculty has not reported a grade at the time in which SAP is reviewed will be included in the course attempted hours. However, as there is no current grade in the system, these courses will not be included in the cumulative GPA determination at such time.

*Repeated courses:* For required courses that are repeated due to failure, only the most recent grade is included in the student’s cumulative GPA when determining the GPA (SAP) standard. When determining if a student is meeting the Completion Rate (SAP) standard, credit hours for the original failure and the most recent course will count as a course attempted.

Students who receive a grade of less than a B in a course may repeat the course in order to attempt to earn a better grade. If a student re-takes a course and passes it, s/he receives credit for the course; both grades are included on the student transcript, and in computation of the GPA. No more than 2 courses may be re-taken in this manner. Any given course may only be counted once toward a PHPD degree or certificate requirement. When determining the GPA (SAP) standard and when determining if a student is meeting the Completion Rate (SAP) standard both courses will be included in the SAP determination. Students may only receive aid to repeat a previously passed course one time. Students that opt to repeat a course a subsequent time must pay for that course.

*Transfer Credits:* Credit hours for approved transfer courses used to fulfill degree requirements will be included when determining SAP Completion Rates.

**Other Institutions (Joint Programs)**

Students enrolled in courses as students in Joint or Dual Degree Programs with other institutions are subject to the standards of academic progress of this policy, counting only semesters when the student’s enrollment is administered by PHPD. If the terms of the Joint Program include stricter requirements for Satisfactory Academic Progress, the stricter requirements will be enforced.

**Maintaining Satisfactory Academic Progress**

The Registrar’s Office in conjunction with the Office of Financial Aid will monitor SAP at the end of each semester including Fall, Spring, and Summer. Written notification will be sent to students placed on

A change in program will not affect a student’s SAP standing. Students who are requesting re-entry into the university will return with the SAP status calculated at the time of withdrawal. Students requesting admission into a new degree program after graduation will begin as a first term student with a new SAP history.

Financial Aid Warning
Upon determining that a student is not making satisfactory academic progress, students will be placed on a “financial aid warning status” for a period of one semester during which the student will continue to be eligible for financial aid. This status is assigned to a student automatically once determined that the student is not progressing satisfactorily and is effective for the next semester. No appeal is necessary, and the student will be reviewed again at the end of the next semester. The status of students who have reached the required completion rate and are meeting the required GPA, will be considered to be making SAP at the end of the warning period. Once the initial warning period has ended, students who are not making satisfactory academic progress will no longer be eligible to receive financial aid unless they submit an appeal and it receives approval - see section on Appeal and Financial Aid probation.

Appeal for Reinstatement of Financial Aid Eligibility
Students who are terminated from financial aid eligibility for not meeting satisfactory academic progress standards (SAP) and who have extenuating circumstances may appeal to reestablish their eligibility. Students may not use financial aid to make retroactive tuition and fee(s) payments.

The appeal must be based on extenuating circumstances that prevented a student from meeting the requirements of the satisfactory academic progress policy. Circumstances may include extreme medical issues, a death in the immediate family, employment related hardship, military mobilization, and/or extreme personal problems. Students must indicate specific information on why they failed to make satisfactory academic progress and what has changed that will allow them to meet these standards at the next evaluation.

Students may appeal the maximum timeframe allowance, GPA and/or the completion rate component of Satisfactory Academic Progress. There are no limits to the number of appeals that students may submit. However, subsequent appeals may not be based on the same circumstance as previous appeals.

Appeals should be submitted along with necessary documentation within 10 days of being notified that they are no longer eligible to receive financial aid and mailed to: Financial Appeals Committee, Attn: John Matias, 136 Harrison Avenue, Boston, MA 02111.

The Financial Appeals Committee will review the request and respond to the student in writing with the decision. This decision is final and may not be appealed.

If the appeal is denied, students may continue their studies but are required to self-pay and make payment arrangements through the Bursar’s office. Standards of academic progress will continue to be monitored each semester and students will be notified: 1) whether they continue to not meet the standards or 2) should their eligibility change, and they become eligible based on meeting the standards.

Financial Aid Probation
If the appeal is approved, students will be placed on Financial Aid Probation. Financial Aid Probation is generally for one semester, and the student is eligible to receive financial aid funding during that time. After the semester ends, students will again be evaluated to determine if they are making Satisfactory Academic Progress. If they are not, students’ aid eligibility will be terminated unless the student was required to be on an academic plan that lasted longer than one semester as part of their original probation. – See Academic Plan below for additional information.

Academic Plan
In certain circumstances, an Academic Plan may be created for a student who will not be able to complete the necessary bench marks to regain SAP status by the end of the Financial Aid Probation
period. The Academic Plan includes benchmarks that must be completed for each successive semester in order to continue the plan and continue to be eligible for financial aid. Academic Plans must be approved by the PHPD Promotions Committee.

Program Specific Policies
MD/MPH students placed on Academic Probation due to grades in MPH courses will be referred to the PHPD Promotions Committee. Students may be dismissed from the MPH Program at the discretion of the TUSM Promotions Committee based on poor academic performance at TUSM (refer to the TUSM Student Handbook for details).

DVM/MPH students placed on Academic Probation will be referred to the Associate Dean for Academic Affairs, Cummings School of Veterinary Medicine. Students may also be recommended for dismissal from the MPH Program at the discretion of the Cummings School Promotions Committee based on poor academic performance at the Cummings School.

MBS students who have below a cumulative 3.0 GPA at the end of their program may retake up to 2 courses in which they received a grade of B or lower and may be allowed to take additional electives in order to attempt to increase their GPA. If it is determined to be not mathematically feasible that a student could increase his/her GPA to a 3.0 by retaking the courses, the student may not do so. At the discretion of the PHPD Promotions Committee, students may also be allowed to take an examination in place of re-taking a course in which they received a failing grade. Students must receive official notification from the Promotions Committee if this option is approved.

MD/MPH, DVM/MPH, JD/MPH, or MS/MPH students who are dismissed from the non-MPH portion of their combined program may petition the MPH Program Director to be allowed to continue with their MPH degree. Students permitted to continue with the MPH must then meet all requirements of the MPH degree as offered independent of the combined dual degree.

MS - PREP-NESA students who leave NESA will be allowed to continue with the MS-PREP but must meet all requirements of the MS-PREP degree as offered independent of the joint program.

DrPH students should adhere to the program guideline booklet distributed at Orientation. It covers the DrPH course requirements, and very specifically describes the policies that need to be followed to meet those requirements.

COURSE GRADES

Graduate students’ work is graded at the end of each semester using a system of letter grades and quality points to evaluate student performance.

Letter Grades
At the graduate level, the grade A signifies work of distinction, and the letter B represents work of good quality. The letter grades C+, C, C-, D or F represent work below the standard expected for a graduate student and are not counted toward the degree requirements.

An S (Satisfactory) or U (Unsatisfactory) grade is used for internships and certain designated and approved courses of an individual or continuing nature such as a research project or a thesis. At the graduate level, a grade of S indicates performance equivalent of a B or better. A grade of U signifies failure in the course.

Incompletes
An “I” (Incomplete) grade is assigned when, for a reason acceptable to the instructor, students engaged in passing work are unable to complete all class assignments.

Incompletes are typically granted during the last three weeks of the semester when a substantial amount of work has been completed for the semester and when the student is otherwise in good standing. An “I” grade does not grant a student permission to repeat the course. Students who wish to receive an incomplete must request one from the course instructor. Incompletes are not automatically granted to students who do not complete course requirements by the end of the
course. If the course instructor grants the incomplete, the instructor must submit an Incomplete Request Form to the Registrar documenting the terms of the incomplete. Both the student and the instructor must sign the form.

The recommended completion date for incomplete grades is two to four weeks from the final meeting date of the class. The actual date will be set in a contract between the course director and the student.

If no grade is submitted six weeks into the subsequent semester, a grade of “F” will be assigned without notification. If a student goes on a Leave of Absence with an outstanding Incomplete grade, the time spent on leave does not count toward this time limit.

If a student has two or more incomplete grades, the program will limit the number of credits for which s/he may register to 3 credits each semester, until the incomplete courses are graded or only one “I” remains. Those credits of new coursework shall not be the ALE.

For information on Incomplete grades and ALE or Capstone Seminars, see section regarding Continuation of ALE/Capstone Implementation beyond 1 semester.

DEGREE REQUIREMENTS

Below is an overview of the degree requirements for each program/track. Credit amounts listed are for students who were admitted to PHPD programs for the summer and fall of 2018 and spring of 2019. For specific details and for degree requirements for students joining PHPD prior to the summer of 2011, visit the Public Health and Professional Degree Programs’ Education web page at publichealth.tufts.edu/Academics and click on the relevant degree program.

MPH Program

The MPH degree requires 42 credits, no matter which degree option a student chooses. There are program required courses delivering foundational competencies mandated by the Council on Education for Public Health, concentration required courses delivering concentration specific competencies and elective courses.

Students may qualify for an exemption from one or more required courses based on prior academic or professional work. See the section on Course Exemptions and Substitutions below for more details.

Competencies

The curriculum reflects competencies in the domains of Evidence-Based Approaches to Public Health, Public Health and Health Care Systems, Planning and Management to Promote Health, Policy in Public Health, Leadership, Communication, Interprofessional Practice and Systems Thinking. Every concentration has three to five required courses that deliver additional competencies.

MPH Dual/Combined Degree Tracks

MD/MPH

- MD/MPH students must complete 39 credits in the MPH Program in addition to their MD courses. MD/MPH students are awarded three credits for the completion of their MD degree; these credits count toward the MPH 42 credit requirement.
- Students take 21 credits of program-required courses and 12 credits of MD/MPH specific courses.
- Students take 6 credits of electives. Electives tailored to the combined degree program are offered each spring.
- With permission of the medical school’s Dean of Student Affairs, students may substitute Tufts’ MPH courses offered outside the combined-degree track for elective course credits.

DVM/MPH

- DVM/MPH students must complete 39 credits in the MPH program in addition to their DVM courses. DVM/MPH students are awarded three credits for the completion of their DVM degree; these credits count toward the MPH 42 credit requirement.
• Some courses are taken with the MD/MPH students, others with the other MPH students, and some are offered on the Grafton campus expressly for the DVM/MPH students.
• Students take 24 credits of program-required courses and 9 credits of MD/MPH specific courses.
• Students take 9 credits of electives. Electives tailored to the combined degree program are offered on the Grafton campus.
• As schedules allow, students may substitute any Tufts’ course approved for MPH credit for elective course credits.

**BA/MPH**

• Once accepted, students must complete four MPH graduate level courses as undergraduates, Principles of Epidemiology (CE 154 or PH 201), Principle of Biostatistics (PH 205 or CEE 156), and Public Health Assessment (PH 202) plus an additional graduate level elective picked in consultation with their advisor. Two of the four courses count toward both Bachelor and MPH degrees; the remaining two count only towards the MPH degree. These second two courses may not count towards any undergraduate requirement.
• Students receive the MPH degree (including transfer of credits) only when both programs are completed.
• Students may not transfer additional credits beyond the four courses taken as undergraduates. (This includes transfers from within Tufts and/or from other institutions.) Students may, however, cross-register at other Tufts schools or institutions within the Boston Consortium following the normal cross registration policies. See the Cross Registration section (pg. 38) for more information.
• Students must receive the BA or BS prior to matriculating fully with the MPH program.
• Students must indicate on their transcript reconciliation form which BA/BS credits will be counted toward their MPH degree. This must be approved by the student’s MPH advisor.

**MS-Nutrition/MPH**

• Students must earn a total of sixty-three (63) credits for the combined degree.
• Fourteen courses (42 credits) are counted towards the MPH degree and nine of these (27 credits) are double counted toward both degrees.
• Sixteen full courses are required for the MS-Nutrition degree.
• Students must choose an MPH concentration: behavioral science and health communication; epidemiology-biostatistics; health services management and policy; or nutrition. Students with a graduate clinical degree or with substantial professional experience (five or more years), may petition to pursue an individualized area of study in lieu of a concentration.
• Students receive the MS and MPH degrees and transfer of credits only when both programs are complete.
• Students must indicate on their graduation transcript reconciliation form which MS-Nutrition credits will be counted toward their MPH degree and have it approved by their MPH advisor.

**JD/MPH - Northeastern University**

• Twelve of the credits required for the MPH are taken at Northeastern University from the list of courses approved for Tufts credit.
• Students generally take the ALE Implementation Seminar during the summer following their year-in-residence at Tufts.
• Students receive their MPH degree when they complete the requirements for that degree.
• Students must indicate on their graduation application form which JD credits will be counted toward their MPH degree. This must be approved by the JD/MPH advisor.
• A student in good standing who does not finish the JD degree may continue in the MPH program. Up to 6 credits of eligible courses may be transferred from Northeastern. Students who do not complete the JD degree are not eligible for the JD/MPH generalist degree and must complete the requirements of one of the approved concentrations in order to earn the MPH degree.

**JD/MPH – Boston College**

• Twelve of the credits required for the MPH are taken at Boston College from the list of courses approved for Tufts credit.
• Students generally take the ALE Implementation Seminar in their last term at Tufts.
• Students receive their MPH degree when they complete the requirements for that degree.
• Students must indicate on their graduation application form which JD credits will be counted toward their MPH degree. This must be approved by the JD/MPH advisor.
• A student in good standing who does not finish the JD degree may continue in the MPH program. Up to 6 equivalent credits of eligible courses may be transferred from Boston College. Students who do not complete the JD degree are not eligible for the JD/MPH generalist degree and must complete the requirements of one of the approved concentrations in order to earn the MPH degree.

**Doctorate of Public Health**
• Forty-two credits are required for the DrPH degree.
• Students take 28.5 credits of required courses, and 13.5 credits of electives.
• Students must successfully complete the comprehensive examination, qualifying exam, submit a letter of intent, have a formal proposal defense, and a successful dissertation defense. (Complete guidelines and details are contained in the DRPH program guidelines.)

*(Degree requirements are subject to change upon review by the DRPH Steering committee)*

**MS - Health Communication Program**
• Thirty-one and a half (31.5) credits are required to graduate.
• There are 11 required courses, totaling 25.5 credits and 6 elective credits to complete according to their particular interests.
• Students may opt for an internship as an elective. Internships may be treated as Directed Studies (see page 27) for either 1.5 or 3.0 credits and can span two semesters with the permission of the program director. They may be paid or unpaid.
• On-line Certificate in Digital Health Communication
  o Twelve credits (five courses) are required to earn a certificate.
  o Credits earned in the Certificate program are accepted should a student matriculate into the Master of Science in Health Communication program.

**MS – Health Informatics and Analytics Program**
• Students must earn 36 academic credits (including a Capstone Planning Immersion and the Capstone Practicum) and select a concentration; Health Informatics, or Analytics.
• All students take 18 credits worth of required core courses.
• Students in the Health Informatics concentration take 6 credits of concentration specific coursework and 12 credits of elective coursework.
• Students in the Analytics concentration take 12 credits of concentration specific coursework and 6 credits of elective coursework.

**MS – Pain Research, Education and Policy Program**
• Students must earn 33 academic credits.
• For the stand-alone program, there are 28.5 core course credits and 4.5 elective course credits.
• For the joint TUSM-New England School of Acupuncture program in pain management, there are 24 TUSM core course credits with three credits of electives.
• Certificate of Advanced Study in Pain Topics Program:
  o Fifteen credits are required to earn a certificate.
  o Credits earned in the Certificate program are accepted should a student matriculate into the Master of Science in Pain Research, Education & Policy program.

**MS – Biomedical Sciences Program**
• To obtain the MS in Biomedical Sciences degree, students must complete specified coursework and a library or laboratory-based thesis.
• Students have the opportunity to apply for the Master of Public Health (MPH) program and may double-count PH201 Principles of Epidemiology, MBS205 Introduction to Clinical Medicine and MBS209 Nutrition toward both degrees.
• Students have the opportunity to apply for the Master of Business Administration (MBA) in Healthcare Management, a joint program with Brandeis University. Students may double-count PH205 Principles of Biostatistics and MBS205 Introduction to Clinical Medicine toward both degrees. Students must complete 65 credits of MBA course work.
**MD/MBA Program**

- Students must complete 65 credits of MBA course work. The majority of the required courses are taken in the first two years.

**LIMITS FOR DEGREE COMPLETION**

All work for the Master’s degree must be completed within five calendar years just prior to awarding of the degree. All work for the Doctorate of Public Health degree must be completed within seven calendar years just prior to awarding of the degree. For the Master of Science in Biomedical Science program, all work must be completed within two calendar years from the date of matriculation into the program.

**DEGREE TO CERTIFICATE – CHANGE IN PROGRAM**

Students who declare their intent to matriculate as a candidate for the Master’s degree in the School of Medicine, Public Health and Professional Degree programs are expected to continue as degree seeking candidates. If upon starting his or her studies for a degree, a student decides instead to become a candidate for an approved certificate within the same program of study, this change must be done early. Specifically, student requests for such a change will not be considered if more than three credit hours have been earned towards the degree.

**MAXIMUM COURSE LOAD**

Students must obtain the permission of their Advisor and Program Director or Associate Program Director if they wish to take more than 13.5 credits per semester.

**COURSE WITHDRAWAL**

Once the designated drop/add period has passed, students may no longer drop a course with no record of the course remaining on their transcript. Students may withdraw from a course within the first 8 weeks of a fall, spring, or full summer course or the first two weeks of a one-session summer course.

Students who wish to withdraw must obtain a Withdrawal Petition Form via the Student Forms web site or from the Office of Student Services for Public Health and Professional Degree Programs and submit the completed form by the course withdrawal deadline. The student’s record will reflect the courses from which the student has withdrawn with the grade W. Please refer to the section of this handbook regarding tuition charges for more information about refunds in the case of withdrawal.

**TRANSFER CREDITS**

**Credits Earned as a Non-Matriculated Student at Tufts**

A maximum of two courses (6 credits) taken as a non-matriculated student may be counted toward a PHPD degree if the student later matriculates. For a student who is matriculating in a Fall semester, this limit is waived for any and all courses taken over the preceding Summer. A grade of B or better is required for a course taken as a non-matriculated student to be counted toward any PHPD degree.

**Credits Earned at Another Tufts’ School or Institution**

Students who wish to apply credits earned from other institutions toward their degree requirements are limited to the following provisions:

All but six of the credits required for degree completion must be earned in courses offered by Tufts University’s Public Health and Professional Degree Programs. Subject to the approval of the Program Director, students may transfer up to two graduate level credits into the MPH, HCOM or PREP degree programs, provided that:

1. A grade of B or better was earned in courses for which credits are being transferred;
2. Credits were awarded by an accredited U.S. college or university and recorded on an official transcript;
3. The course(s) were not graded on a pass/fail basis;
4. The credits to be transferred were not applied toward another graduate degree.
Students who have completed a certificate program through another school at Tufts may count a maximum of four courses toward their degree at PHPD, including courses offered by PHPD. Excess courses may earn a student an exemption but may not count toward the number of credits required for the degree.

To request transfer credits, students must obtain a Transfer Credit Request Form via the Student Forms website or from the Office of Student Services for Public Health and Professional Degree Programs (OSS). The Transfer Credit Request Form should be submitted with a course description, syllabus and an official transcript verifying successful completion of the course to the:

- MPH: Concentration leader/Track Director and Program Director
- MS-HCOM: Advisor and Program Director
- MS-PREP: Academic Director and Program Director

After review, the Program Director will indicate the number of acceptable credits and forward the completed Transfer Credit Request Form to the Registrar’s Office. If the transfer credit request is granted, the Registrar will record the appropriate number of credits on the student’s record and notify the student. Please see policy on Course Exemptions/Substitutions if the transfer credits are fulfilling core or required coursework.

COURSE EXEMPTIONS/SUBSTITUTIONS

Exemptions
If a student wishes to be exempt from a core or required MPH, HCOM or PREP course, he/she must obtain an Exemption/Substitution Form from the Office of Student Services for Public Health and Professional Degree Programs (OSS). The Exemption/Substitution Form should be submitted for approval to the:

- MPH: 1st Concentration Leader/Track Director and 2nd Program Director
- MS-HCOM: 1st Advisor and 2nd Program Director
- MS-PREP: 1st Academic Director and 2nd Program Director
- DrPH: Program Director

In order to seek an exemption for an MPH core course the student will be required to sit for an exemption exam. The exemption exam may be waived provided that:

- The course was taken at a CEPH graduate accredited school or program in public health.
- The competencies outlined in the course syllabus matches the Tufts PHPD competency requirements.
- The student completed the course with a final grade of "B" (3.0) or better. The course(s) cannot be graded on a pass/fail basis. Official transcripts documenting the final grade(s) must be sent to Office of the Registrar.

If the exemption is granted, students who completed the course at the undergraduate level must make-up the credit with a higher level course in the subject area. Students who completed a graduate level course from a CEPH graduate school or program may make up the credit for the exempted course with an additional elective. Upon final approval the Registrar will record the exemption on the student’s record and notify the student.

Substitutions
If a student wishes to:
1. Substitute a different course for a core or required MPH, HCOM or PREP course, or
2. Request that a course that has not already been approved for either general or concentration elective credit be counted for such, he/she must obtain an Exemption/Substitution Form via the Student Forms web site or from the Office of Student Services for Public Health and Professional Degree Programs (OSS). The Exemption/Substitution Form should be submitted to the:
   - MPH: 1st Concentration Leader/Track Director and 2nd Program Director
   - MS-HCOM: 1st Advisor and 2nd Program Director
   - MS-PREP: 1st Academic Director and 2nd Program Director
The student must prepare a written request for the substitution when presenting it to his/her concentration/track leader/advisor and must provide a course description or syllabus for the desired course. If the substitution is granted, the Registrar will record the substitution on the student’s record and notify the student.

If a student is seeking to substitute a course with previously taken coursework at another school or institution, the credits must not have been used to fulfill any other degree requirements. The student must submit a Transfer Credit Request Form along with an official transcript and course syllabus, in addition to the Course Exemption/Substitution Form.

Students seeking a substitution for an MPH core course must have completed the course with a B (3.0) or better at an CEPH graduate accredited school or program in public health prior to matriculation. Official transcripts documenting the final grade(s) must be sent to Office of the Registrar.

Students are advised that academic credits for courses taken at other schools and colleges, including Boston Consortium schools, may not transfer at the same credit value as they are offered at the host school.

**Exemption or Substitution due to Life Experience**

Students may seek to receive credit for or exemption from a required course due to life or professional experience. Please speak with your Program Director or Concentration Leader if you wish to pursue such an exemption or credit.

**DIRECTED STUDIES**

A maximum of three credits of directed study coursework may be taken by each student. Under unusual circumstances another directed study may be taken in a different semester with approval of the program director.

Students who wish to conduct directed study coursework must complete a Directed Study Proposal Form and first obtain the approval of his/her Concentration/Track Leader for MPH students, or his/her Advisor for MS-HCOM or MS-PREP students. The Concentration/Track Leader/Advisor will then forward the request to a two-person committee composed of the Chairperson of the Academic Affairs Committee (AAC) and one other AAC member appointed by the AAC Chair. If these two individuals both concur with the Concentration/Track Leader/Advisor’s recommendation, then the directed study will be approved.

MS-HIA students are not permitted to enroll in Directed Studies.

**CLASS ABSENCE**

Class attendance is important. Excessive absence may adversely affect the final course grade. In the event of absence, students should make every effort to inform their professor. Students who are unable to attend class should arrange with a fellow student and/or the professor to obtain class notes, handouts and assignments.

**STUDENT COURSE EVALUATIONS**

To continuously improve the quality of the courses and programs, the Public Health and Professional Degree Programs and its faculty are constantly seeking feedback. Therefore, all students are asked to complete a student course evaluation for each course for which they are enrolled. The goals of the course evaluations are to:

- To provide the course director with feedback on each student’s opinion on the quality of the course.
- To provide program directors with information to use in planning for improvements to the programs.
- To provide students upon request with the course evaluations to use as a tool in selecting courses for future semesters.
**Administration of Evaluations**
Course evaluations are administered online during the last two weeks of each course. The evaluations are confidential and have no markers to identify students.

**Distribution of Results**
The evaluations include a statistical summary and the narrative comments of each student and are available in the Office of Student Services.

**Program/Course Director Access**
Aggregated results of the student evaluations are distributed to the appropriate program director and MPH concentration leader as well as the Dean of the Public Health and Professional Degree Programs. In addition, each course director receives the results for their course.

**Student Access**
PHPD students who would like to review course evaluations as a tool in selecting courses can do so upon request to the PHPD Registrar’s Office.

**GRADUATION**
In order to graduate, students must successfully complete all degree requirements. In addition, all financial obligations must be paid to TUSM before the degree is awarded.

The Trustees of Tufts University must approve all graduate degrees. Degrees offered by the Public Health and Professional Degree Programs are granted in August, February and May.

There is one Commencement ceremony per year that is generally held on the third Sunday in May. Students are eligible to participate in the ceremony if they have graduated in the August, November or February prior to the May ceremony they seek to participate in, if they are graduating in May, or if they have a single summer course to complete and plan to graduate in the August immediately following the ceremony they seek to participate in. Students are responsible for applying for graduation via SIS student home page according to the following deadlines:

- May and August degree candidates must file an Application for Graduation by January 24th.
- February degree candidates must file an Application for Graduation by October 4th.

Students in the JD/MPH, MS-Nutrition/MPH, and BA/MPH tracks must also complete a transcript reconciliation form.

**STANDARDS OF ACADEMIC AND PROFESSIONAL CONDUCT**
It is expected that Public Health Program and Professional Degree Program students abide by Tufts University School of Medicine’s Standards of Academic and Professional Conduct, which exemplify a standard of behavior that will establish a firm foundation for future professional conduct and respect for the academic environment of Tufts University School of Medicine. This requires avoidance of any form of intellectual dishonesty as well as the demonstration of respect for the rights and wellbeing of others, including all students, faculty, staff, and other members of the Tufts University School of Medicine community. Tufts students are expected to be responsible citizens not only of the Tufts community but also the greater community. Students are expected to comply with all university policies, local ordinances, and state and federal laws. Students are expected to avoid activities that harm the reputation of the University or its members. Students also may not engage in conduct that poses a danger or threat to others.

Notwithstanding the above, legitimate and peaceful activities, including but not limited to protests of certain University policies, whether expressed on or off campus, and provided that such activities are lawful and do not interfere with normal University functions, shall not be deemed to be a breach of this code of conduct.
DISCLOSURE OF CRIMINAL ARRESTS, CHARGES, OR CONVICTIONS

While enrolled in any PHPD program, all students must notify the Program Director of any convictions, guilty pleas or "no contest" pleas to any felony, misdemeanor or other offense; or any arrests, charges against the student, or investigations by law enforcement or professional licensing authorities in which the student is a target. Such notice must occur as soon as possible, but in no event later than three (3) working days following the event or the student’s knowledge of the event. Matters disclosed will follow the disciplinary review procedures for ethical misconduct outlined below. Nondisclosure or falsification of this information may be grounds for disciplinary action, up to and including dismissal from the program.

REVIEW PROCEDURES FOR ETHICAL MISCONDUCT

Academic Misconduct

The following incidents represent academic misconduct:

- Plagiarism
- Cheating on quizzes or examinations
- Misrepresentation or falsification of data within a course or thesis
- Significant disregard for customary professional procedures or the policies of professional practice sites where students are placed.

Reporting process

Faculty must report all instances of suspected academic misconduct to the Academic Review Committee. The report must include supporting documentation and the proposed course consequences. Faculty must notify students either before or at the same time the documentation is submitted to the Academic Review Committee.

Academic Review Committee

The Academic Review Committee will determine whether the claim is substantiated. If substantiated the Committee, together with the faculty member claiming misconduct, will determine course consequences. The Committee will also recommend program consequences.

Program consequences may take two forms: non-disciplinary sanction or disciplinary sanction. Non-disciplinary sanctions do not affect the student’s permanent record and consist of warnings or reprimands. Disciplinary sanctions range from placing documentation of the incident in the student’s permanent record to recommending expulsion from the program. A repeat warning may lead to disciplinary sanctions.

Upon completing its review, the Committee will send its findings to the student and the Dean of PHPD. The Dean will meet with all students for whom there was a substantiated claim.

Determination of program consequences

The Dean of PHPD determines program consequences for academic misconduct.

If the Dean pursues a disciplinary sanction, the case is sent to the PHPD Student Ethics and Promotions Committee for review. The Committee may decide and implement all disciplinary sanctions except dismissal from the program. Recommendations for dismissal from the program are reviewed by the TUSM Student Ethics and Promotions Committee. The Committee will send its findings to the student.

Appeal of the finding of academic misconduct, course consequences and/or program consequences

Students wishing to appeal the findings of the Academic Review Committee must notify the Dean of PHPD within five working days of communication of the finding. These appeals will be reviewed by the PHPD Student Ethics and Promotions Committee.
Students wishing to appeal the findings of the PHPD Student Ethics and Promotions Committee must notify the Dean of PHPD within five working days of communication of the finding. These appeals will be reviewed by the TUSM Student Ethics and Promotions Committee. (See below for description of review process.)

OTHER ETHICAL MISCONDUCT

The same reporting, review and appeal procedures will be followed for reports of student ethical misconduct as for academic misconduct. Students wishing to make such a report should contact the Associate Dean of PHPD. Faculty wishing to make a report should contact the Academic Review Committee.
REGISTRATION

REGISTRAR’S OFFICE

Biomedical Research and Public Health Building
M&V Wing, Suite 142
136 Harrison Avenue
(617) 636-0935
https://publichealth.tufts.edu/registrar

Tufts University School of Medicine’s (TUSM) Public Health and Professional Degree (PHPD) graduate students register on-line through the Student Information System (SIS) for all required and elective courses. After on-line registration has closed all registration will need financial clearance from the Bursar’s Office. In addition, any changes will need to be made via a Drop/Add form that should be submitted to the Registrar.

Continuing students are encouraged to register during the scheduled registration period. Registration for the fall and summer semesters generally begins in April. Registration for the spring semester generally begins in November. For continuing students, the Office of Student Services (OSS) will email information regarding registration to Tufts email accounts. There is a $200 late registration fee for all initial registrations submitted one week before classes begin. The fee does not apply to course adjustments.

It is the student’s responsibility to meet with his/her advisor and register for courses which meet the degree requirements. Please refer to “My Advisement Report” on your SIS home page, the program brochure or web site at for a complete list of the degree requirements.

ADDING AND DROPPING COURSES

Adding Courses
To add a course after online registration has closed, students must complete a Drop/Add Form, available online or from the PHPD Office of Student Services. Students need to obtain permission from the instructor if the courses has started and clearance from the Bursar’s Office after online registration closes. Completed forms should be submitted to the PHPD Registrar for processing. Please refer to the Academic Calendar for specific add/drop deadlines. Adding a PHPD summer course is not permitted after the first week of classes.

MPH and MS-Health Communication Programs: Matriculated students may register for up to three credits of non-core courses offered by the Combined MD/MPH and DVM/MPH Tracks. This requires permission of the Academic Advisor, Instructor, and/or Program Director. Students are advised that courses offered by the combined degree program are held during the day and follow the medical school academic calendar.

MD/MPh and DVM/MPH Track: Matriculated students may substitute a course offered in the Master of Public Health and MS-Health Communication programs for an elective course offered by the combined degree program. This requires the permission of the Director of the MPH Program.

Dropping Courses
To drop a course after classes have begun, students must complete a Drop/Add Form, available on-line or from the PHPD Office of Student Services. Please refer to the Academic Calendar for specific add/drop deadlines. Dropping a course after the semester begins may result in the loss of part or all of your tuition payment for that course. Please refer to the tuition refund policy in the Tuition and Fees section of this handbook. Notice given to an instructor, to the Program Director or faculty advisor does not constitute cancellation of course registration.

Failure to drop a course within the designated drop/add period will result in a tuition charge and a failing grade on the student’s permanent record.
If a course is dropped before the end of the Add/Drop window (14 calendar days after the start of the semester for full semester fall, spring and summer courses or 7 calendar days after the start of a half semester course) the course will be removed in its entirety from the student transcript. From that point until 8 weeks into the semester (two weeks for half-semester courses) a student may withdraw from a course and a grade of “W” will remain on the student transcript for the course. (See course withdrawal policy in the Academic Policies and Procedures section of this handbook).

To drop a course offered by institutions other than PHPD (i.e. Tufts University School of Arts and Sciences, Tufts University Friedman School of Nutrition Science and Policy, Emerson College, etc.), you must file the Drop/Add Form within the drop/add period set by the host institution or by the OSS, whichever date comes first. Failure to file the Drop/Add Form within the period designated may result in a failing grade on the student’s permanent record. In addition, the student may be responsible for the full tuition charged by that institution.

CROSS REGISTRATION

To cross-register for courses outside of PHPD, students must complete the online cross registration process via SIS for Tufts courses, or complete and return (with all required signatures) a Boston Consortium Cross Registration form for Boston Consortium courses.

Students may cross-register for courses within Tufts University that are specifically required by their program during their normal online registration period but must wait until the first day of the semester to cross register for elective courses or courses at other institutions in the Boston Consortium.

Cross-registration is on a space available basis and at the discretion of the registrar of the host institution. The calendar and start dates of courses at other universities and at other schools within Tufts University are frequently different, and it is the responsibility of the student to obtain this information and adhere to these schedules. Students will be held to the drop and withdraw deadlines and rules for PHPD, regardless of the rules and deadlines of the Host Institution.

Within Tufts University
Students may cross-register for an approved course offered by other schools within Tufts University (i.e. School of Arts and Sciences, Friedman School of Nutrition Sciences and Policy, etc). A list of approved elective courses outside the MPH program is available on your Academic Advisement report in SIS. If a student would like to take a course that does not appear on this list, he/she must obtain permission from the Program Director or Concentration Leader.

Through the Boston Consortium
A consortium agreement with Brandeis University, Boston College and Boston University permits Tufts students to register for fall and spring semester courses (not summer) offered by these institutions. Students may apply a maximum of 6 consortium credits toward the fulfillment of PHPD degree requirements. It is the responsibility of the students to contact the Registrar of the host institution for registration details. Please note the institution may limit students to one course per semester.

Non-Matriculated Students
Non-matriculated students are not eligible to cross register for courses.

ACADEMIC ADVISING

Students admitted to the program will be assigned an advisor with expertise and experience. Students are expected to schedule regular meetings to determine registration and programming advice. If a student wishes to change his/her academic advisor, the student should submit to the OSS a “Change of Concentration/Advisor” form. When possible the student will be re-assigned to another academic advisor.
COURSES

Course Load
A student’s enrollment status is based upon the number of credits for which he/she is registered in a given semester. To maintain student status in a fall or spring semester, a student must be enrolled in at least 1.5 credits worth of coursework. If a student does not meet this minimum, they will be administratively withdrawn from the program. No additional paperwork is required to change the student’s semester status from part-time to full-time or vice versa. Please note that loan agencies require that students be enrolled at least half-time to be considered for a loan deferment (see definitions below). Students must obtain the permission of their advisor and Program Director or Associate Program Director if they wish to take more than 13.5 credits per semester.

- Full-time status for MPH, MS in Health Communication, MS in Health Informatics and Analytics, and MS in Pain Research, Education, and Policy students is defined as enrollment in 9 or more credits per semester.
- Half-time status is defined as enrollment in at least 4.5 credits per semester.
- Less than half-time status is defined as enrollment in 3.0 or fewer credits per semester.

Students in the MBS program are always considered to be enrolled full-time, including during the semesters they are solely working on their thesis.

Note to Financial Aid Recipients

- The financial aid office cannot process financial aid information until the student has registered. Therefore, students applying for financial aid should register for courses as early as possible.
- To be eligible for federal financial aid, the student must be enrolled in the degree program at least half-time.
- Financial aid disbursements will be received by TUSM no earlier than ten days before the first day of the semester. Furthermore, students will not be able to receive financial aid refunds to which they are entitled before the financial aid disbursement check has been received and processed by TUSM.

Repeating a Course
Students who fail a course (grade below B-) may be required to repeat the course in order to receive a passing grade. Both courses, with the grades received, will be part of the student’s permanent academic record and will be counted in determining the cumulative grade point average.

In some cases, the Program Director, Academic Affairs Committee for MPH or HCOM students, or the PHPD Student Promotions Committee may require the student to enroll in a different course to replace the credits not earned from the failed course. Both courses, with the grades received, will be part of the student’s permanent academic record and will be counted in determining the cumulative grade point average.

Non-degree students who fail to pass the same course two times may not register for it or its curricular equivalent again. This policy applies to non-degree students at Tufts and does not supersede Academic Standard policies for matriculated students.

No credit will be awarded for any course in which a grade below B- is received.

Course Audit
Students are not permitted to audit courses.

Continuation of ALE/Capstone beyond One Semester
ALE/Capstone Planning Seminar students who have registered for the ALE/Capstone Implementation Seminar but do not have approved Work Plans (i.e., approved by the Planning Seminar course director and concentration leader) by the last Drop/Add day in the Implementation Seminar semester are automatically de-registered from the Implementation Seminar.
When, for a reason acceptable to the instructor, students engaged in passing work are unable to complete his/her ALE or Capstone Planning/Implementation in the assigned semester the course director will inform the Registrar that the student will need to continue the ALE/Capstone into the second semester. This is typically granted during the last three weeks of the semester when a substantial amount of work has been completed for the semester and when the student is otherwise in good standing.

Upon successful completion of the ALE/Capstone the grade for the first semester will be posted as a “Y”. The student will not be charged tuition for the second ALE/Capstone course but a Continuation Fee will be assessed (for the 2019-2020 academic year this will be $836.00) in addition to other required fees and student health insurance, if applicable. This continuation fee will be waived if the student is enrolled in additional courses in the same semester.

If a student requires more than two semesters to complete their ALE/Capstone Planning or Implementation the PHPD Promotions Committee will examine the student’s situation to determine whether there is adequate academic progress being made. If the student is allowed to continue, the above procedure will be repeated as needed.

**Continuation Fee**

In addition to the above ALE-specific situation, a Continuation Fee will be assessed during any semester in which a student has completed all tuition obligations to the program but still needs to be enrolled in one or more classes.

**CHANGE OF STATUS**

**Administrative Withdrawal due to Failure to Enroll**

Students who do not obtain a leave and fail to register for at least 1.5 credits for any given semester will no longer be considered a degree candidate. If the student wishes to resume candidacy, he/she must provide a request in writing to the Assistant Dean for Student Services for the Public Health and Professional Degree Programs. Time taken during this period will be counted toward the standard time limitations for degree completion.

**LEAVE OF ABSENCE**

The Public Health and Professional Degree Programs (PHPD) understands that students may need to request a leave of absence (LOA) to attend to pressing matters outside of school. For example, students may need to take a LOA for medical, mental health, personal, family-related, programmatic or administrative reasons. Because students’ situations and circumstances are different, PHPD assesses each LOA request on an individualized, case-by-case basis. Students considering a leave of absence should make an appointment with the Assistant Dean for Student Services to discuss the options available given their individual circumstances. Tufts can help PHPD students with their LOA transitions by providing information, resources and ideas for sustained engagement and smooth returns. Please come see us to discuss which LOA option is right for you. While every LOA request is handled individually, there are some general guidelines that apply universally to all LOAs.

**How Long Is My LOA Going to Be?**  LOAs can be for any duration of time up to a maximum of one year (and in cases of documented medical leaves, up to a maximum of two years). For continuity sake, most LOAs coincide with the PHPD academic schedule. However, each LOA request will be evaluated individually by the Assistant Dean for Student Services to determine the conditions of the leave, including an appropriate duration of time, effective date and return date.

**How Will My LOA Affect My Enrollment Status?**  To allow students to attend to their personal circumstances, PHPD treats LOAs as a period of non-enrollment. This means that students are not expected to participate in coursework while on a leave of absence, reside in the residence halls or use University facilities, such as the library and fitness center. PHPD treats LOAs as a period of non-enrollment because we want students to make the most of their time away and to attend to whatever personal circumstances necessitated their LOA request. Although students who take LOAs experience interrupted progress toward completion of their PHPD degrees and are expected to take time away
from campus, please note that they remain a part of the Tufts community and may be invited to campus events with approval of the Assistant Dean.

**How Do I Request an LOA?** To request an LOA, submit a completed PHPD Leave Request form (available as a hard copy in the Office of Student Services or at https://publichealth.tufts.edu/current-students) to the Registrar prior to the start of the LOA. We recommend that students complete these forms as soon as possible under the circumstances. Students must meet with the Assistant Dean for student services and obtain their signature on the form as part of that leave request process.

**How Will My LOA Impact My Financial Aid and Health Insurance?** Prior to taking an LOA, financial aid recipients are required to meet with a financial aid counselor to discuss the impact the LOA will have on their financial aid status and possible loan repayment requirements. Students are also strongly encouraged to meet with a representative in the Office of Student Advisory and Health Administration to discuss the Health Insurance Policy for Students on Leave of Absence that is outlined in this handbook.

**I Am an International Student; How Will My LOA Impact My Visa Status?** International students considering taking a LOA are strongly encouraged to discuss visa support with the Office of International Affairs. The Leave of Absence does not become official until the Registrar (or designee) signs the form. Students who are on leave of absence are responsible for providing the Registrar with up to date address information.

**LOA Types**

**Personal Leave of Absence**
A student in good academic standing may submit a leave of absence request to the Registrar to take advantage of a professional opportunity, for a military commitment or for personal reasons e.g. family emergency, or other unforeseen circumstances.

**Medical Leave of Absence**
A medical leave of absence is initiated through the Assistant Dean. Students must provide documentation from their health care provider supporting their request for a medical leave. In certain circumstances, the Dean may request additional information from the student’s provider or request a second opinion from an administratively approved physician to document the necessity for such a leave.

The purpose of the medical leave is to enable students to seek treatment for a health-related condition that interferes with their access to the program. The term of the leave is for a period of up to one year. The Leave may be extended for up to a second and final year, based upon the recommendation of the student’s treating physician.

**Administrative Leave**
Students may be placed on administrative leave as a result of action taken by the Student Ethics and Promotions Committee or by the Dean of PHPD in the circumstances that a student’s continued enrollment poses a risk to the health and safety of themselves or others or causes a significant disruption to members of the TUSM community. Students who have been placed on LOA for administrative reasons must meet the stated conditions of return.

**Programmatic**
Combined degree students that are on leave of absence from the school that is granting their other degree will also be on leave from their PHPD Program.

**Return from Leave Guidelines**
It is the student’s responsibility to notify the PHPD Registrar’s Office in writing that he/she is planning to re-enter Tufts University. Notification should be received at least two weeks prior to the start of the semester.

The student must receive clearance to return from leave of absence. Financial clearance must be obtained from the Bursar’s Office and clearance for health insurance and immunization requirements
must be obtained from the Student Advisory and Health Administration Office for all students returning from leave. Students who do not return from a leave of absence on or before the date on which the leave expires will be considered to have withdrawn, which is a final separation from Tufts University School of Medicine.

A student on a medical leave of absence who seeks re-entry into the School must provide documentation from his or her primary care physician and/or treating physician certifying that the student has been medically cleared to return to the School. The School may require that the student be evaluated by medical care providers of its own choosing before permitting the student to resume his or her studies. The final decision to readmit a student from a medical LOA resides with the Assistant Dean of Student Services after a thorough review of the documentation submitted by the student.

A student on a personal leave of absence who seeks re-entry into the School must notify the Office of Student Services for Public Health & Professional Degree Programs in writing at least two weeks prior to the start of the semester.

A student on an administrative leave of absence who seeks re-entry into the School must provide the required documentation as outlined by the Dean of PHPD and/or the Student Ethics and Promotions Committee. The final decision as to whether a student may re-enter the curriculum resides with the Dean of PHPD and/or the Student Ethics and Promotions Committee, whichever is appropriate given their situation.

**WITHDRAWAL**

Students considering permanent withdrawal from the school must complete a withdrawal form and meet with either their Program Director or Advisor to discuss their plans. All financial aid recipients contemplating withdrawal are required to meet with a financial aid counselor for an exit interview to discuss their rights and responsibilities regarding their student loans. In addition, students must meet with representatives from the Student Advisory and Health Administration Office, and Bursar’s Office, prior to withdrawal from TUSM. Student initiated withdrawals require a completed withdrawal form. If a withdrawn student wishes to return to Tufts University School of Medicine, a re-application is required and the former student is subject to the conditions of the normal admissions process.

A student who wishes to terminate his/her degree program must submit a completed Withdrawal Form to the PHPD Registrar. The effective date of the withdrawal for tuition refund purposes will be the date on which notification was received by the Registrar.

Students in the BA/MPH or MBS/MPH program who withdraw from the MPH program after completing a summer Public Health course (receiving a final grade) will be responsible for retroactively paying the cost of tuition for courses taken during the summer semester.

**Administrative Withdrawal**

Students who fail to meet annual registration requirements, or comply with the LOA return conditions, will be administratively withdrawn. This is a final separation from TUSM. If a student who had been given an extension on their leave of absence does not return to full time status in the subsequent year, the student is considered withdrawn from TUSM. If a withdrawn student wishes to return to Tufts University School of Medicine, a re-application is required and the former student is subject to the conditions of the normal admissions process.

**Tuition Policy Related to Leaves of Absence or Withdrawal**

In the event of a leave of absence (medical or other) or withdrawal, the University refund policy will apply for any period of leave. Students are strongly encouraged to meet with their Financial Aid Advisor in the Office Financial Aid to discuss the consequences of taking a leave or withdrawing.

**Degree to Certificate - Change in Program**

Students who declare their intent to matriculate as a candidate for the Masters degree in the School of Medicine, Public Health and Professional Degree programs are expected to continue as degree seeking candidates. If upon starting his or her studies for a degree, a student decides instead to become a
candidate for an approved certificate within the same program of study, this change must be done early. Specifically, student requests for such a change will not be considered if more than three credit hours have been earned towards the degree.

MATERNITY POLICY

TUSM complies with all applicable Massachusetts and Federal laws regarding leaves of absence due to pregnancy-related disability and childbirth.

VERIFICATION OF ENROLLMENT

Any student who has registered for the current semester may request verification of his or her enrollment status from the Office of Student Services for Public Health and Professional Degree Programs. Requests for verification of enrollment that come directly to the school from outside agencies will be answered without notice to the student. No information other than Directory Information (see definition in the Federal Educational Rights and Privacy Act section of this handbook) will be given out without written consent of the student unless the requesting agency is one that has guaranteed access to the information requested under the Federal Educational Rights and Privacy Act of 1974. See the Privacy Act Section of this booklet for a listing of such agencies.

TRANSCRIPTS

Unofficial and official Transcripts can be requested via the SIS home page. Because federal law prohibits release of transcripts without this written request, verbal, telephone and e-mail requests cannot be honored, although faxed transcript requests or scans of signed Transcript Request forms can be accepted. Students should allow at least ten working days for the processing and mailing of transcripts. Processing time depends on such factors as computer availability and workload. For students who have attended other schools within Tufts a transcript can be generated that includes all coursework and degrees across the university.

Official transcripts leave sealed and signed by the Registrar. They are sent directly to the address named in the transcript request. Transcripts released directly to students will be stamped “issued to student.” Transcripts are withheld from students with outstanding balances on their student accounts until the student has paid any and all amounts owed to Tufts University.

NAME CHANGE

The Registrar’s Office maintains all records under the legal name that was used at the time of matriculation. Official records do not display nicknames or preferred names unless legal documentation is provided (such as a marriage license, passport, or legal name change document). Request for a name change must be made in writing and accompanied by the appropriate legal document. If you wish to also have your Tufts’ email address changed to your new name, please make the request at the same time as that of the name change.

PREFERRED NAME CHANGE

If you use a first name that differs from your legal name, you have the ability to update it for general communications. For more information on how to implement a preferred name change at Tufts, go to: https://it.tufts.edu/qs-namechangepreferred

STUDENT IDENTIFICATION CARDS

Student Identification Cards are available at orientation for all new TUSM students. Any student who loses his/her ID card should contact the Campus Police (M&V 1). The Campus Police may charge a replacement fee.
FINANCIAL AND IMMUNIZATION HOLDS

The Registrar’s Office will not release any transcripts, diplomas or letters confirming enrollment or graduation to any student with either a financial or an immunization hold on their account.
SERVICES/GENERAL INFORMATION

OFFICE OF STUDENT SERVICES
Biomedical Research and Public Health Building
M&V Wing, Suite 142
136 Harrison Avenue
Phone: (617) 636-0935
Fax: (617) 636-0898

The Office of Student Services supports PHPD students in achieving their educational goals by providing student centered services that facilitates the student life experience at Tufts. The student services staff provides a variety of services inclusive of enrollment, retention, tracking academic progress, admissions and career coaching. The office also oversees events such as orientation, graduation, job fairs and provides support to student and alumni organizations.

The student services staff takes pride in being customer focused by offering prompt, friendly and personal support and guidance to students, alumni and faculty. Students are always welcome and encouraged to stop by the Office of Student Services with any questions or concerns.

OFFICE OF CAREER SERVICES
Office of Career Services
Stearns Wing, 1st Floor
136 Harrison Avenue
(617) 636-0935
Email: PHPD-CareerServices@tufts.edu
Website: https://publichealth.tufts.edu/careers-outcomes

Career Services Roles and Responsibilities
PHPD Career Services collaborates with students by:
• Providing resources, events, presentations, briefings, technology, and contacts to help you explore your career options.
• Offering career programs and coaching to help you develop the professional skills necessary for creating the types of opportunities you seek in your targeted field; and
• Maximizing employment opportunities by targeted, pro-active outreach, marketing, and on-going relationship management with employers.
• Interweaving career management lessons throughout programs, events, and communications to teach when and how to navigate the next step in your career, whether you are proactively ready for the next step or reactively searching due to market forces.

Student Roles and Responsibilities
To find an applied learning experience, internship and/or job, a student must take full ownership for his/her search process, start early, and leverage the appropriate Career Services resources.

1. If required, complete the Career Planning Course (details on the following page).
2. Start your applied learning experience, internship, and/or job search in the early stages of your time at Tufts.
3. Consider your previous experience and where you want to go with your career to determine how much time you will need to devote to your search.
4. Consider your career exploration an additional course that you must commit to every week and create a timeline for yourself to ensure you take all necessary steps to prepare and compete effectively.
5. Familiarize yourself with Career Connector (CC), our primary web-based career services resource tool. CC is home to a wealth of information including employer and contact information, current applied learning experience, on-campus, fellowship, internship, and full-time job postings, a calendar of employer events and career development workshops, and a resource library on various career development topics.
Note: Sometime in Fall 2019 we will be making the transition from Career Connector to Handshake, a career services management service for 700+ colleges and universities nation-wide including Tufts University. Through Handshake you will have access to more opportunities, and curated job recommendations based on your interests, skills, program, location preferences, and search history.

6. Complete your profile and job search agent in Career Connector. This will allow the Career Services office to notify you of jobs, internships, or career development training. (After the transition to Handshake, you will develop your profile in the Handshake system.)

7. Create a resume according to the Resume Guide in our document library in Career Connector.

8. Attend career development workshops and webinars. Throughout the year, career workshops offer insight into the job search process while teaching specific skills such as resume writing, interviewing, networking, and negotiating.

9. Take advantage of the many networking opportunities at Tufts, including alumni panels, lectures, workshops, conferences, and most importantly, meetings with faculty who have expertise in your area of interest. All of these will give you the opportunity to make connections that could lead to an applied learning experience, job, or internship. Alumni will consistently tell you that finding the right opportunity is about successful networking. Challenge yourself to attend networking opportunities regularly. Even if you have not confirmed your specific career direction, this will help you get started.

10. Set up individualized coaching appointments through the online scheduler on the Career Services website (this process will be done through Handshake after the transition). PHPD students and alumni have unlimited access to individual coaching appointments for resume reviews, cover letter reviews, job search strategizing, interview preparation, offer evaluation, salary negotiation, etc.

Career Services Code of Conduct
In order to achieve our goals in this partnership in a fair and equitable manner, we pledge to:

1. Represent Tufts PHPD students professionally to alumni and employers.
2. Adhere to non-discriminatory recruiting practices maintaining U.S. Equal Employment Opportunity compliance by referring all interested students for employment opportunities regardless of race, color, religion, age, gender, sexual orientation, or disability.
3. Exercise sound judgment and fairness in maintaining confidentiality of student information by not disclosing your information outside Tufts University without prior consent. We will also preserve anonymity in surveys so that any reported data will be in aggregate and will not be associated with your name.
4. Provide services to international students consistent with U.S. immigration law.

Student Code of Conduct
In order to achieve our goals in this partnership in a fair and equitable manner, we ask that you pledge to:

1. Represent Tufts University in a professional manner with alumni, guests, and employers. When you communicate with a potential employer, you represent yourself, as well as Tufts Public Health and Professional Degree Programs, including other students, our alumni, our faculty, and our administration. In order for employers to continue to consider hiring Tufts students and graduates, you must make sure that in addition to academic excellence, you convey professionalism and preparedness throughout your applied learning experience, internship and job search. This includes a well-written resume and cover letter, as well as polished networking and interview skills and etiquette.
2. Notify Career Services at least 24 hours in advance to cancel a coaching appointment, and if you have signed up for and can no longer attend any career services-sponsored programming including workshops, career fairs, panel discussions, etc. Knowing attendance details ahead of time allows the Career Services staff to make strategic decisions about venue choices or cancellations or may permit waitlisted students to attend. Late arrivals or no-shows reflect poorly on the school and may potentially damage important relationships with alumni, employers, or trainers, who often sponsor or participate in these events.
3. Consider all aspects of an applied learning experience, internship or job offer before accepting it. Most preceptors or hiring managers will give you ample time in which to make a decision about accepting an offer, and we encourage you to meet with a Career Services coach if you
have any questions about the offer, or if you are evaluating multiple offers. Once you accept an offer, you must remove yourself from the recruiting process and discontinue pursuing or soliciting other offers.

4. Reneging on an offer that you have accepted is a serious offense as it damages relationships with the employer and reflects poorly on the school.

**Career Services Eligibility**
Students who have matriculated into a PHPD degree or certificate program are eligible to receive Career Services including attending workshops and events, one-on-one career coaching, and access to on campus employer recruitment (e.g. Career Connector, Handshake, employer career fairs).

Cross-registered or special students who have not matriculated into a PHPD program at Tufts and/or are obtaining a degree at another School within Tufts or at another academic institution do not have access to PHPD Career Services.

Alumni of the PHPD program (those who have obtained a master’s or doctoral degree), continue to have full access to Career Services. Certificate students have access only while pursuing the certificate and do not have access to alumni services.

**BA/MPH Career Services Policy**
BA/MPH students who accept an offer to matriculate to the MPH program in the future will have immediate access to the following PHPD Career Services which are advertised through the MPH email listserv and on-campus flyers.

- PHPD career development workshops, webinars, and other events

One semester prior to matriculating to the MPH portion of the degree (generally in May), BA/MPH candidates will be granted access to additional services including:

- Career Connector, PHPD’s employer, jobs, internships, fellowships, ALE database
- One-on-one individual career coaching
- On-campus recruitment events (e.g. ALE Fairs, Career Expos)

**ATHLETIC FACILITIES**

**Tauber Fitness Center**
The Tauber Fitness Center has three areas: a 2,500 square foot room with aerobic and strength training equipment; a small exercise studio; and locker rooms and showers. All registered Boston Campus students are eligible to use the fitness center; no fee is required.

The fitness center is located on the lower level of the Medical Education Building at 145 Harrison Avenue and can be accessed by elevator or stairs. You must have a valid Boston Campus student-ID with you in order to access the facility and will be asked to use the card swipe at the front desk to confirm eligibility. Fitness classes are offered in the studio to all members and are available for a small fee on a first-come first-serve basis. It is staffed and the hours of operation are as follow:

Monday – Friday: 6:00 AM – 10:00 PM
Saturday – Sunday: 12:00 PM – 7:00 PM
(call or check for holiday schedule)

**Wang YMCA of Chinatown Student Membership Program**
Students of TUSM can join the Wang YMCA located just a few blocks away from the School of Medicine at 8 Oak Street West (at the corner of Oak and Washington Streets). The membership fee for the 2019-2020 academic years for TUSM students is as follows: single membership $22/month, family membership $58/month. The monthly payment must be made on an automatic basis, from a debit/credit card or bank account. A yearly single pass is $264; for a family $696. A 15-day notice must be given in order to cancel membership. There is no fee to join. Membership benefits include an indoor 25-yard pool; gymnasium; fully equipped fitness center; aerobic studio; child care center and free weight room. Membership with the Wang YMCA of Chinatown entitles you to use all 13 facilities within the YMCA of Greater Boston. Call 617-426-2237 for more information.
Tufts-Medford
Please consult the Tufts Athletics website for more information at or call 617-627-3232. All athletic facilities on the Medford Campus are free when you present your Tufts ID. Students can use these facilities during normal hours of operation except when physical education classes, practices, games or matches, or other events are scheduled. Athletic facilities include playing fields, a 25-yard swimming pool, two indoor tennis courts (for which reservations are required), outdoor tennis courts (for which no reservations are required), a gym with basketball court, outdoor basketball courts, indoor and outdoor track facilities, fitness center, cage area, sauna and eight squash courts.

HOUSING

Your first stop for help during the academic year with off-campus housing should be https://publichealth.tufts.edu/student-community/housing-dining. Accessible from there is www.jumpoffcampus.com, which maintains listings for rooms, apartments and houses in all price ranges and in all areas of Greater Boston. Housing questions can be directed to PHPDhousing@tufts.edu, which is checked primarily during the spring and summer months.

Students live throughout Boston and the suburbs, with Beacon Hill, Back Bay, Brookline, North End, Cambridge, Brighton, South End, Somerville, Allston, South Boston, Jamaica Plain and Malden being the most popular. (Malden, Jamaica Plain, and the North End on the Orange line make them ideal locations). When deciding where to live, you might want to consider commuting time to TUSM (get an MBTA map and see this handbook’s section on “Public Transportation”); neighborhood safety; local shops; whether overnight street parking is allowed; car insurance rates, which vary from town to town and are generally lower in the suburbs; whether other students will be available for car pools, support, etc. The most important thing to remember when searching for an apartment is how close your apartment is to a T stop (subway or bus) and how safe the neighborhood is.

Posner Hall
The Posner Hall Dormitory was built in 1954 with renovations occurring regularly, resulting in a well-maintained facility. It houses our Medical School professional students and our PHPD and Sackler School graduate students in a 94-room building located at 200 Harrison Avenue, Boston. The dorm is located on Tufts University’s Health Sciences Campus.

Move-In Dates and Lease Terms
The standard move-in dates for the 2019-2020 academic year are Saturday, July 27th and Sunday, July 28th, 2019. Lease terms begin prior to Orientation Week of the MD program (July 30, 2019) and continue through the weekend following the last exam for first-year MD students (June 5, 2020). We lease for the entire academic year and student are billed in two equal rent payments at the beginning of the fall and spring semesters. Any resident who chooses to leave the dormitory earlier than the lease-end date will not be eligible for a refund (see Housing License Agreement section below).

We accept summer lease contracts from students who wish to continue residing in the dormitory during June and/or July based on availability.

Cost
The cost for the 2019-2020 academic year (June 27, 2019-June 7, 2020) is $11,250.00

Based on demand for Posner Hall Dormitory, all rooms are granted on a “first-come, first-serve” basis. All students applying for a room will be notified early July if they have a room or have been placed on a waiting list. Contracts can be downloaded and are accepted starting in January of each current year with a non-refundable deposit. To download a contract, please visit our website at https://medicine.tufts.edu/student-community/housing-dining/posner-hall-dormitory. For further information, please contact the Office of Student Affairs at 617-636-6568 or email med-osa@tufts.edu.

TUFTS UNIVERSITY HEALTH SCIENCES CAMPUS BOOKSTORE
Arnold Building First Floor
116 Harrison Avenue
Phone: 617-636-6628
Tufts University Health Sciences Bookstore is your destination for textbooks and course required supplies. The bookstore stocks textbooks, medical reference and review books, lab supplies, burrs, teeth, school supplies, and snacks. If the bookstore is ever out of an item ask a bookseller for assistance and we can order the item for you. The bookstore also carries Tufts University School of Dental Medicine merchandise including sweatshirts, t-shirts, mugs, and fine gifts.

The bookstore will have all textbooks ready for purchase prior to the start of classes. You can stop by the bookstore to purchase your books or you can log onto www.tufts-med.bkstore.com. All students purchasing the books on line will have the option to pick up the books in store or have them shipped to their home. If your textbook is out of stock at the bookstore at any time see a member of the management team and we will special order the book for you. The bookstore allows students to return or exchange textbooks the first week of class.

**Bookstore Return Policy on Textbooks**

- A full refund will be given in your original form of payment if the textbooks are returned the first week of class with a receipt.
- With a proof of a schedule change and a receipt, a full refund will be given in your original form of payment during the first 30 days of classes.
- No refunds will be given on textbooks without a receipt and not in the original condition.

**Bookstore forms of Payment**

Cash, check, Travelers checks, Visa, MC, American Express, Discover, and Barnes and Noble Gift Cards. The cardholder must be present for the purchase. Barnes and Noble Gifts cards can be purchased through the bookstore, at Barnes & Noble stores, or online.

**EMAIL**

Students receive an email account through the Public Health and Professional Programs’ Student Services Office during orientation. An email listserv has been created for all PHPD students and for each of the programs to notify students of relevant information. Students are expected to check their Tufts’ email account at least once a day for information regarding their courses, programs and events.

**STUDENT LOUNGE**

The Public Health and Professional Degree Programs’ student area is located on the first floor of the Biomedical Research and Public Health Building, Stearns Wing and includes 1 lounge and 2 study rooms. The lounge is equipped with a television, soft seating, tables, vending machines, a microwave, water cooler, refrigerator/freezer, and a Keurig machine (you must supply your own pods). The lounge is also equipped with desktop computers and a printer. Directions for printer use can be found at most of the computer workstations; pages may be paid for by using jumbo-cash. There are also two small group study rooms that are equipped with seating and tables. All rooms have wireless access.

**CAMPUS CAFETERIAS**

**Avanti Markets, Jaharis Cafe**

At Avanti Markets, a self-checkout mini convenience store, you can purchase a selection of items including sandwiches and salads prepared on campus by Corporate Chefs, packaged meals, freshly brewed coffee, tea, snacks, and assorted beverages. Avanti Markets is available 24/7 to members of the community who have access to the Jaharis Café.
Soup’s On, Tufts Dental School, 7th Floor
Soup’s On, located on the seventh floor of the Tufts University School of Dental Medicine offers a hot special of the day, two freshly prepared soups, and sandwiches made to order. Also offers grab-and-go sandwiches, packaged salads, yogurt, snack foods, cookies, brownies and beverages. Food can also be purchased for take-out; delivery service is not provided. The cafe is open from 7:30 am to 2:30 pm and accepts cash payment only.

STUDENT LOCKERS
Lockers are available for the MS-Biomedical Sciences (MBS) students on the first floor of the M&V Wing. For all other students, lockers are available on a first come first serve basis. They are located on the first floor of the Stearns Wing. MBS Students will be assigned lockers by the MBS Program, all other students interested in getting a locker need to see the Student/Academic Services Assistant in M&V Suite 142.

MAIL SERVICES
Campus and hospital mail can be dropped off in the Stearns basement mailroom. There are public mail boxes located at the corner of Harvard Street and Harrison Avenue (roughly across from the entrance of the Medical Education Building), and at the corner of Kneeland Street. The closest Post Office is located three blocks from the school at 7 Avenue de Lafayette, across the street from the Hyatt. It is open Monday through Friday from 8:00 AM to 6:00 PM, and from 9:30 AM to 1:00 PM on Saturdays. You can also buy stamps and other postal services and supplies at the Mail Boxes, Etc. store located on Stuart St. (near Christy’s). Stores such as Mail Boxes, Etc., however, charge more than a post office for stamps and other mailing services.

PARKING
Tufts Shared Services Parking Department
274 Tremont Street Garage, 1st floor
Tel: (617) 636-5580
Fax: (617) 636-1498

Hours: Monday - Thursday, 7:00 AM - 6:00 PM
Fridays - 7:00 AM - 4:00 PM

Parking decals are required to use the TSS parking facilities. They are available at no charge to PHPD students upon presentation of a TUSM student I.D. and car registration to the Parking Office. Please Note: Students are issued only one decal per school year (September 1 – August 30). Lost decals will not be replaced.

In addition to the parking decal, student parkers must pay with a coupon. Coupons are available for purchase in the Parking Office or at the Bursar’s Office, 200 Harrison Avenue. Students are assigned to a location with a decal and the decal must be affixed to the left rear side of the car to become valid.

Students are assigned to the Herald Street Garage and Traveler Street Lot and must pay with a coupon upon entering. Herald Garage is open from 5:00 AM – 2:00 AM and Traveler Lot from 6:00 AM – 1:00 AM. Both locations are closed on the weekend. A free shuttle service is provided to Herald Street Garage and Traveler Street Lot based on the hours of operations. Those facilities do Not Offer long-term Parking.

Weekends: All students may park in the Tremont Street garage located above the Parking Office only on Friday 10:00 PM – Monday 9:00 AM. The cost of parking is one coupon per every 24 hours. To park at the Tremont Street Garage requires that you drive in the car with the decal. Students MUST leave the Tremont Street Garage at 9:00 AM or will be penalized a $38.00 fee per day.

Parking Regulations for Tufts Students
• Parking is permitted only with a current valid TSS parking sticker and parking coupon.
• Vehicle registration to prove ownership and Tufts ID card must both be presented to the Parking Office in order to obtain a sticker.
• No in and out parking is allowed on the same parking ticket. If you do have occasion to leave the garage, a new ticket must be purchased on re-entry.
• The parking facilities do not allow long term storage of vehicles (overnight).
• Parking stickers are not transferable. Anyone who uses a lost, stolen or fraudulent sticker will be subject to loss of parking privileges. Questions regarding parking should be directed to the Parking Office, 617-636-5580.

**NOTARY PUBLIC**

The function of the notary public, in part, is to witness your signature. Be prepared to provide a photo ID. Documents that are not signed in the presence of the notary cannot be notarized. Loan forms and other documents may be notarized in the Medical Dean’s Office on the 8th floor of the Medical Education Building and at the Campus Police, M&V 1. There is no fee for this service to Tufts students. However, you must present proper ID (such as a student ID or driver’s license).

**VOTER REGISTRATION**

If you have a Massachusetts’ driver’s license or state ID, you can register to vote online at [www.sec.state.ma.us](http://www.sec.state.ma.us). If you do not qualify to register online, you will need to complete a voter registration form and submit to your local city/town hall. You can access a voter registration information at [https://www.sec.state.ma.us/VoterRegistrationSearch/MyVoterRegStatus.aspx](https://www.sec.state.ma.us/VoterRegistrationSearch/MyVoterRegStatus.aspx). To register to vote in other states, you can download a National Voter Registration form from the same website.

**ROOM SCHEDULING**

To book rooms please contact the Room Scheduling Office at (617) 636-6621. If you need guidance about the process, please contact the Student & Academic Services Assistant at (617) 636-2127.

**PUBLIC TRANSPORTATION**

The MBTA (Massachusetts Bay Transportation Authority) provides subway, bus and commuter rail service throughout Boston and its suburbs. The best source of up-to-date public transportation information is the [MBTA’s website](http://www.mbta.com). Their site provides a variety of information about schedules, fares, and access for differently abled individuals, and notices about delays in service due to weather or construction.

If you commute regularly, a MBTA semester pass will save you money. Boston-based Health Science School students (Medical, Dental, and Friedman Schools and Public Health Professional Degree programs) are eligible to purchase an MBTA semester pass at a 20% discount over regular “T” prices. Each student is entitled to one pass only. The program is administered by the Bursar’s Office, 1st floor, Posner Hall. A Tufts ID must be presented when you pick up your pass.

Unless there is a pre-approved exceptional, students must pick up their own pass. For a detailed list of purchase deadlines and prices with the noted discount, visit the [Bursar’s MBTA site](http://www.bursar.tufts.edu/mbta).

**WEATHER EMERGENCY/CANCELLATION OF CLASSES**

When weather threatens school or university closings, delayed arrivals and early dismissals, information will be available by calling (617) 627-INFO as early as 6:00 AM, or by logging onto the [University’s home page](http://www.tufts.edu). The Grafton campus also has a special information line for its faculty, students and staff: (508) 839-6124. Email messages may also be distributed by the Office of Student Services.

Information monitors at Dowling Hall, the Fletcher School’s Hall of Flags, the Tisch Library, Dewick/MacPhie Dining Hall and Campus Center on the Medford/Somerville campus also feature weather and other emergency information. Email messages may also be distributed if conditions warrant.
Tufts also provides information to a number of major media outlets who broadcast weather-related school closings and delayed arrivals, including TV Channels 4, 5 and 7, and AM680 radio and WBZ news radio 1030. However, because these outlets provide limited information, the University strongly encourages faculty, students and staff to refer to Tufts’ own weather and emergency information outlets.
STUDENT ADVISORY & HEALTH ADMINISTRATION OFFICE

The Student Advisory & Health Administration Office is located at 200 Harrison Avenue on the fourth floor of Posner Hall. Office hours are Monday - Friday, 9:00 a.m. - 5:00 p.m.

This office provides:

- Advice to students regarding general wellness and its importance for well-being; including helping students transition and manage the increased academic demands and stressors.
- Triage and refer students for external psychotherapy and psychiatric care. Oversight of the student health insurance and disability insurance programs.
- Collection and screening of immunization documentation required by the Commonwealth of Massachusetts, Tufts University and those recommended for healthcare workers by the Centers for Disease Control and Prevention (CDC).

This office does not provide health care. **There is no health center on the Boston Campus.**

**Student Health Administration Fee**
All full-time and part-time matriculated students are required to pay an annual Student Health Administration fee of $250 for services provided by SAHA.

**Student Wellness Advising**
Student Wellness Advising is meant to be a friendly, easily accessible office and a hub of resources, referrals, and information for students on the Boston Health Science Campus. The Student Wellness Advisor offers support to students who may struggle with any interpersonal issues such as adjusting to life in the city, transitioning to the new academic demands or relationship challenges. The Student Wellness Advisor is here to help with any concern a student may have.

The Student Wellness Advisor works with all students to offer practical approaches to manage everyday stressors and challenges. The Student Wellness Advisor also triages and refers students who may need to talk with a clinician about depression, anxiety or other mental health challenges.

One of the goals of the Student Wellness advisor is to offer wellness activities that are inclusive and promote a culture that supports the personal development and academic success of all students. These wellness activities also aim to foster and support the mental, physical, and emotional health of students.

The Student Wellness Advisor does not provide ongoing psychotherapy but helps students deal with personal issues by providing support, guidance, advice, advocacy, and referrals.

The services provided are at no additional cost to matriculated students. Consultation is strictly confidential and no information will be shared without the student’s written consent. The Wellness Advisor works closely with the consulting psychiatrist.

Appointments are available by calling the Student Advisory & Health Administration Office at 617-636-2700 or sending an email to Sharon.snaggs@tufts.edu
COUNSELING SERVICES

Talk One2One Counseling Resource

Talk One2One is a counseling resource provided by AllOne Health and is available to all matriculated PHPD students free of charge. TalkOne2One provides confidential access to counselors both in-person and by telephone. Students can reach out to Talk One2One counselors at any time 24/7 by calling 1-800-756-3124 for "in the moment" support by a master's level licensed counselor or can schedule a future in-person (or telephone) appointment. The in-person appointments can be scheduled with Talk One2One counselors who will be located on the Boston Campus during the following hours:

Monday: 12:00 p.m. – 7:00 p.m.
Tuesday: 8:00 a.m. – 3:00 p.m.
Wednesday: 12:00 p.m. – 7:00 p.m.
Thursday: 8:00 a.m. – 3:00 p.m.
Friday: 8:00 a.m. – 3:00 p.m.

DENTAL INSURANCE

A voluntary dental insurance plan is offered through Delta Dental. Questions regarding benefits and providers, call Delta Dental at 800-872-0500. Questions about enrollment, call EBPA at 1-888-232-3203. More information can be found on the following website, medicine.tufts.edu/administration/SAHA/dental-insurance

HEALTH INSURANCE

The Commonwealth of Massachusetts and Tufts University Health Sciences Schools require all matriculated students of higher education to participate in a health insurance plan. Tufts University Health Sciences Schools offer a comprehensive student health insurance plan that meets the State and University requirements. The student health insurance plan is underwritten by HPHC Insurance Company, an affiliate of Harvard Pilgrim Health Care (HPHC), and administered by UnitedHealthCare StudentResources (UHCSR), includes primary and emergency care, major medical coverage, a prescription plan, eye care, mental health benefits and many other services. When making your decision regarding health insurance, please be aware there is no student health services clinic on the Boston Campus. Students with pre-existing medical conditions should weigh plan cost versus benefits associated with other insurance plans, compared to the student plan, particularly with regards to mental health benefits.

The student health insurance plan is available to all matriculated health sciences students and their eligible dependents. Eligible dependents include spouse, domestic partner, or dependent(s) under the age of 26.

Each semester, students are charged one-half of the annual insurance cost at the Individual rate. Two-person or family health insurance coverage is available at an additional cost. Full payment for two-person or family coverage is required at the time of enrollment.

Open Enrollment for the student plan occurs every summer with coverage starting on September 1st of each academic year. This provides a once a year opportunity for students to apply for enrollment or add dependents without a qualifying event. To apply for coverage during Open Enrollment, students must complete an online Enrollment Form. Once enrolled online in the individual plan, students must contact the SAHA Office to add dependent(s). The online enrollment option is not available after August 31st.

Students are not eligible to apply for coverage or add a dependent(s) at any other time of the academic year, unless there is a qualifying event. Qualifying events include change in marital status; birth or adoption of a child; or loss of alternate insurance through no fault of the student or dependent. An Enrollment Form must be submitted within thirty (30) days of the qualifying event. Students should contact the Student Advisory & Health Administration Office at 617-636-2701 for information on
applying for coverage, adding a dependent (s) and the prorated payment amount. Students must reapply for the student health insurance coverage each academic year. Unless there is a change of student status, the insurance coverage continues through August 31st of the current academic year. The effective date of enrollment for returning students is September 1st and for new students is the first day of orientation, not the date of the enrollment form.

WAIVING THE STUDENT HEALTH INSURANCE

The Commonwealth of Massachusetts and Tufts University Health Sciences Schools require all matriculated students of higher education to participate in a health insurance plan. Students may enroll in the student insurance plan offered by Tufts University or maintain private coverage as long as it meets or exceeds the minimum state requirements set forth by the Commonwealth of Massachusetts. To determine if your coverage meets the minimum state requirements visit the Student Health Insurance page or at Mass.gov. Students must waive the student health insurance coverage each academic year by completing a Health Insurance Waiver Form. Completion of a waiver certifies participation in a health insurance plan that meets or exceeds the coverage required by the Commonwealth of Massachusetts and Tufts University.

To waive the student plan during Open Enrollment, complete the online waiver at go.tufts.edu/sis. Use your insurance card to answer all the questions on the waiver. Once approved, you will receive a confirmation and your student account will be credited for the health insurance cost.

Students who do not take action to either waive or enroll by August 31st, or whose waiver has been denied, will be automatically enrolled in the HPHC/UHCSR insurance plan. The online waiver option is not available after August 31st. Students are able to waive the school health insurance plan at any time during the academic year. For waiver instructions after August 31st, please contact the SAHA Office at 617-636-2701.

STUDENT HEALTH INSURANCE POLICY FOR STUDENTS ON LEAVE OF ABSENCE

Boston and Grafton Health Sciences students, who have been granted a Leave of Absence and who are enrolled in the student health insurance plan, have the option of either cancelling their health insurance or continuing enrollment in the plan for up to one (1) year from the effective date on which the Leave begins. The student has fifteen (15) calendar days from the effective date of his/her Leave of Absence to notify the Student Advisory & Health Administration Office of his/her intent by submitting A Leave of Absence Health Insurance Form. Students electing to continue insurance coverage must be paid in full within the fifteen (15) day period and must adhere to payment deadlines for subsequent semesters. Students cancelling insurance coverage will receive a prorated credit based on the date of cancellation, if applicable.

Students who previously waived the student health insurance but experience a Qualifying Event while on a Leave of Absence may enroll for coverage by submitting an Enrollment Form, Qualifying Letter, and payment within thirty (30) days of their qualifying event.

Health insurance enrollment will be cancelled if the student fails to pay the premium or if the student does not return at the end of one year’s Leave of Absence. Fall semester premiums are due by August 15th and spring semester premiums are due by February 15th.

Failure to notify the Student Advisory & Health Administration Office by submitting one of the required Leave of Absence Health Insurance Forms within fifteen (15) calendar days will result in continued coverage through the end of the current insurance semester. The Fall term ends on February 28th/29th and the Spring term ends on August 31st.

STUDENT HEALTH INSURANCE POLICY FOR WITHDRAWN OR DISMISSED STUDENTS

Boston and Grafton Health Sciences students, who are withdrawn or dismissed and who are enrolled in the student health insurance plan, have the option of either cancelling their health insurance or continuing enrollment in the plan for up to thirty (30) calendar days following their withdrawal or dismissal date. To continue enrollment the student must be a matriculated student for at least thirty...
one (31) days prior to the withdrawal or dismissal. The student has fifteen (15) calendar days from his/her withdrawal or dismissal date to notify the Student Advisory & Health Administration Office of his/her intent by completing a Withdrawal or Dismissal Health Insurance Cancellation Form and by ensuring that full payment has been made. Students cancelling insurance coverage earlier than the end of the current insurance semester will receive a prorated credit based on the date of cancellation, if applicable.

Failure to notify the Student Advisory & Health Administration Office by submitting the required form and by paying in full within the fifteen (15) day period will result in the student’s health insurance policy being cancelled on the date of Withdrawal or Dismissal from Tufts University.

STUDENT HEALTH INSURANCE POLICY FOR GRADUATING STUDENTS

Boston and Grafton Health Sciences students, who are graduating and enrolled in the student health insurance plan, have the option of either cancelling their health insurance on the date of graduation (and Administrative Clearance for Dental students) or continuing enrollment in the plan until the end of the paid insurance semester. The Fall term ends on February 28th/29th and the Spring term ends on August 31st.

The student must notify the Student Advisory & Health Administration Office of his/her intent by completing a Graduating & Cancelling Health Insurance Form. Cancellation must be requested within thirty (30) calendar days before or after the effective date of cancellation but no later than February 15th for the Fall term or August 15th for the Spring term. Students cancelling insurance coverage earlier than the end of the current insurance semester will receive a prorated credit based on the date of cancellation, if applicable.

Failure to notify the Student Advisory & Health Administration Office by submitting the required form will result in the student’s health insurance policy being cancelled at the end of the current insurance semester.

INSURANCE CONVERSION POLICY FOR GRADUATED OR WITHDRAWN STUDENTS

Students who leave the University are not eligible to continue membership in the student health insurance plan under the Federal Law known as COBRA, the Consolidated Omnibus Budget Reconciliation Act, as this law does not apply to student plans. Health insurance coverage in the Commonwealth of Massachusetts is available through the Commonwealth Connector. More information can be found at: www.mahealthconnector.org.

IMMUNIZATIONS

In order to comply with Massachusetts State Law and University policy, all Health Sciences Campus students must have immunization documentation on file at the Student Advisory & Health Administration Office. The Public Health & Professional Degree Program Immunization Form must be completed and signed by a health care professional or equivalent medical documentation must be submitted by the immunization deadline, prior to matriculation.

If unable to provide documentation of past immunizations, students will need to provide laboratory evidence of immunity, or be re-vaccinated. Failure to comply with this policy may result in the cancellation of registration.

Upon notification from the Student Advisory & Health Administration Office, students are required to update immunizations as mandated by the Commonwealth of Massachusetts, Tufts University and those recommended for healthcare workers by the Centers for Disease Control and Prevention (CDC).

Questions regarding immunization requirements should be directed to the SAHA Office, at 617-636-2712.
FINANCIAL AID

OFFICE OF FINANCIAL AID

Medical Education Building, 8th floor
145 Harrison Avenue
Boston, MA 02111
Phone: (617) 636-6574
Fax: (617) 636-3447
Office Hours: Monday - Friday, 9:00 AM - 5:00 PM

- Tara Olsen, Assistant Dean of Financial Aid
- Jeffrey Welch, Associate Director; Caseload MD Students A – G
- Valarie Marchese, Assistant Director; Caseload MD Students H – O and all Grad students
- Julie Aliberti, Assistant Director & Financial Literacy Coordinator; Caseload MD Students P–Z

Appointments are encouraged, walk-ins are always welcome.

PHILOSOPHY

The intent of the financial aid programs at TUSM is to assist students with meeting any shortfall that exists after a maximum effort has been made by the student and his/her family to pay for school related costs. There are federal and private loan options available for those that meet eligible requirements. Financial Aid professionals are available to answer questions and to provide assistance. Although staff can answer routine questions on a walk in basis during office hours, you are encouraged to make an appointment if you would like to meet with your financial aid advisor at a particular time.

APPLYING FOR FINANCIAL AID

Who May Apply?
Students whose cost of attendance exceeds their family resources are encouraged to apply for financial aid. To be eligible for financial aid, the applicant must be: 1) accepted or enrolled in a degree-seeking program at TUSM on at least a half-time basis, 2) meeting standards of academic progress, 3) a citizen of the United States or an eligible non-citizen 4) NOT in default with prior student loans, 5) if male, you must comply with requirements of Selective Service Registration and 6) have no prior drug convictions during a period of enrollment for which the student was receiving Title IV aid. Please note that students who wish to pursue a certificate program are not eligible for federal financial aid. Students are required to apply for financial aid each academic year and eligibility is determined for all financial aid programs available on an annual basis. Students are required to apply for financial aid each academic year and eligibility is determined for all financial aid programs available. New students are encouraged to apply as early as possible; do not wait until you are accepted.

Application Deadline
The priority deadline for having financial aid applications complete for the academic year is February 22, 2019. To meet this deadline, the following documentation must be received by February 22nd (or November 1st if you are beginning in the spring semester):

- Processed Free Application for Federal Student Aid (FAFSA)
- TUSM Financial Aid Application

The FAFSA takes approximately 10 days to process and is available to complete as of October 1st. Students may request a paper FAFSA from the website if they are not comfortable completing this online. Students should visit www.fafsa.ed.gov to complete this requirement.

Priority Consideration Date for Financial Aid
The priority consideration date for having financial aid applications submitted for the Fall 2019 semester is February 22, 2019. Students who have submitted all paperwork to the Office of Financial Aid by the priority consideration date will begin to receive award notices in April.
For students who are beginning studies in the Spring 2020 semester, the priority consideration date is November 1, 2019. Students who have submitted all paperwork to the Office of Financial Aid by the priority consideration date will begin to receive award notices in December.

Students will not be eliminated from consideration for any types of funding by applying after the priority consideration date. However, the Office of Financial Aid processes applications on a first-come, first-served basis; therefore, late applicants may experience a delay in the notification of their eligibility. Students would still be expected to meet all registration and bill payment deadlines even if they have not received financial aid award notices by those dates. Consequently, late submission of documents may also cause a delay with disbursements and/or refund checks being issued.

**Please be aware that loan eligibility may not be originated after the last day of classes. Students who are applying for financial aid late into the semester (within one month of the last day of classes) should contact the Office of Financial Aid to confirm that adequate time is available to process the request.**

**Renewal of Aid**
Students must complete a financial aid application every year if they wish to receive financial aid. Components of students’ aid packages may change from year to year due to changes in financial circumstances, late applications, changes in program regulations, and/or funds available.

**Budgeting Issues**
Students must budget monies for the period of time before their financial aid funds are received and a refund can be produced from their account. **As a guide, students should have three months of living expenses available as a cushion in order to secure an apartment, to assist with moving expenses and/or to purchase books/supplies.** Refunds from excess financial aid will not be issued until the student has matriculated and begun their studies for a particular year, all paperwork has been completed, and all financial aid funds have actually been received. First time borrowers must complete an entrance interview before loan proceeds can be disbursed to their account. **Entrance interviews should be done online at [www.studentloans.gov](http://www.studentloans.gov).**

All federal awards are disbursed in two equal payments per semester. If students are attending both the fall and spring semester, they will receive half of their total award each semester. The Office of Financial Aid attempts to have loans disbursed during the first week of class each semester if all paperwork is received in a timely fashion. Please remember when determining your budget for living expenses that loans must be repaid with interest. It is to your advantage to keep expenses and borrowed amounts as minimal as possible. These are your future earnings that you are pledging. Keep careful records of your loan portfolio and take ownership of the process from the very beginning.

**Refunds**
Refunds result when the actual funds that have been credited to your account exceed your charges. Anticipated aid is notification of a loan or scholarship payment expected but cannot be used as a refund. Refunds will not be granted before the funds are actually received, eligibility has been confirmed and funds have been credited to the student’s account, all necessary documents have been processed and the student has begun enrollment (on at least a half-time basis) in the semester that he/she is being paid. Students are encouraged to sign up for e-refunds to expedite the process. **Students should contact the Bursar’s Office with any questions pertaining to their refund.**

**Financial Aid Advances**
Financial aid advances may be available once a student’s financial aid application is complete and provisional credits appear on the student account but no sooner than 30 days before the semester begins. Advances are requested through the Office of Financial Aid. A student may request up to the lesser of the future expected refund or $1500. The student’s account will be charged and their future refund will be reduced by the amount of the advance. **Advances are not available for those who do not have pending financial aid to cover such requests and they are not available to students who have not officially matriculated.** The Assistant Dean of Financial Aid has the discretion to make final approval or denial of all such requests.
Withdrawal
If a student completely withdraws from school during a semester and before 60% of the semester has passed, federal regulations require that a school determine the percentage of any federal aid received that is earned. The amount of aid earned is calculated by multiplying the total net amount of federal aid for the semester, by the percentage of the term for which the student was enrolled before withdrawing. If the amount of aid earned is less than the amount of aid already disbursed to the student, a repayment may be required. If the aid disbursed was used to pay institutional charges (i.e. tuition), the portion of the unearned aid will be repaid by TUSM in the order prescribed by federal regulations; first to Federal Direct Unsubsidized Loans then to Federal Direct GradPLUS Loans.

Please note that your tuition liability remains as described above, according to the TUSM Refund Policy. If federal loan money used to pay tuition must be returned to the lender according to the federal regulations, then any balance due remaining on the student’s account becomes the student’s responsibility. The student is responsible for repayment of any unearned living expense money from federal aid advanced before the withdrawal. If the total amount of this repayment comes from loans, then the student may make this repayment under the original terms of the loan. Please contact the Office of Financial Aid for more information on this policy.

Students should meet with their Financial Aid advisor if they are considering withdrawing to determine the effects on their federal loans. Students will be expected to pay any outstanding balance owed to TUSM immediately. If that creates a hardship, the student should make a payment arrangement with the Bursar immediately. Students will not be permitted to return until the balance is paid in full or a satisfactory repayment obligation has been arranged with the Bursar. Students would be required to do an exit interview online at www.studentloans.gov.

FINANCIAL AID QUESTIONS AND ANSWERS

If I receive outside scholarships and/or loans, will this impact my financial aid package?
Federal law clearly states that a student cannot receive funds from any source in excess of the cost of attendance. If funding not originally reflected in your financial aid package requires a reduction, we will reduce your least favorable loan in order to correct the over award.

Do I need to include parental data on the FAFSA (Free Application for Federal Student Assistance)?
Graduate students are considered independent and the federal government does not require parental information to be included when determining a student’s eligibility.

What happens when tuition charges are adjusted?
Any adjustment to tuition charges has an immediate impact on financial aid eligibility. In some cases, financial aid may be retroactively reduced to allow for the adjustment. Your award will be determined based on estimated enrollment indicated on the TUSM Financial Aid Institutional Application. After the add-drop period has ended each semester, your award will be reviewed and adjustments will be made accordingly. If you think your enrollment may change, please contact the Office of Financial Aid to discuss the impact on your aid eligibility. Students with a balance caused by a change in enrollment/aid eligibility will be expected to make immediate payment to TUSM.

How does satisfactory academic progress affect financial aid?
Federal regulations require that a recipient of financial aid must be making satisfactory academic progress each semester. Please refer to the Public Health and Professional Degree Programs Student Handbook for the policy of satisfactory academic progress.

How much may I borrow each year from the Federal Direct Unsubsidized Loan Program?
The maximum amount of Federal Direct Unsubsidized Loans that a student may borrow annually is $20,500. Students who are at least half-time in the Masters of Public Health program may be deemed eligible to borrow an additional Federal Direct Unsubsidized Stafford Loan for $12,500. Actual eligibility for these loan programs will be outlined on your Financial Aid Notice.
**How much may I borrow each year from the Federal Direct GradPLUS Loan Program?**
Students may borrow up to their cost of attendance minus any other aid they will be receiving. Please remember that this program requires annual credit approval that is based on federally-mandated criteria. Negative credit history could result in the denial of eligibility. Credit decisions that result in the denial of funds may be appealed with the Department of Education and/or an endorser may be required. If an endorser is used, the student must complete a Master Promissory Note annually. Actual eligibility for these loan programs will be outlined on your Financial Aid Notice.

**How does financial aid pay for charges on my bill?**
Students must return their signed Financial Aid Notice (FAN) to the Office of Financial Aid indicating which aid they wish to accept and/or decline. There are instructions pertaining to each award outlined on the FAN. Generally, once the FAN is returned to the Office of Financial Aid, scholarship money is provisionally credited to the student's account. Loan funds are not credited to the account until all required documentation has been received including promissory notes and/or entrance loan counseling. Students are required to submit a Master Promissory Note (MPN) each for the Federal Direct Unsubsidized and Federal Direct GradPLUS loans that they wish to borrow. Once the MPN is completed, it is valid for a 10 year period unless an endorser is used which would require an MPN annually. You may visit [www.studentloans.gov](http://www.studentloans.gov) to complete your Master Promissory Notes for the Federal Direct Unsubsidized and/or Federal Direct Grad PLUS Loan programs. Please note that you must still qualify for Federal Direct GradPLUS funds annually as credit approval is a mandatory requirement.

The student is responsible for paying any remaining portion of the bill that will not be covered by financial aid. Any questions regarding the bill should be directed to the Bursar's Office at 617-636-6551.

**Why does the amount that was actually received differ from the amount of the Federal Direct Unsubsidized Loan/Grad PLUS Loan that I accepted on my Financial Aid Notice? It is slightly less than the amount I requested.**
Origination loan fees are deducted from all loan proceeds prior to disbursement. Loans with first disbursements issued before October 1, 2019, will have a fee of 1.062% for the Federal Direct Unsubsidized Loans and 4.248% for the Federal Direct Graduate PLUS Loan.

**What is the interest rate for Federal Direct Unsubsidized Loans and GradPLUS loans?**
Annually interest rates are determined for any loans borrowed within that specific academic year (July 1st – June 30th) and will have a fixed rate for the life of the loan. However, students will likely have different interest rates associated with loans that are borrowed in different academic years. For the 2019-20 year, Federal Direct Unsubsidized Loans will have an interest rate of 6.08% and GradPLUS loans will have an interest rate of 7.08% for the life of the loan.

**Are students eligible to receive financial aid for summer courses?**
Yes, students are eligible to receive federal financial aid for summer course work if they meet the financial aid requirements above which include being enrolled on at least a half-time basis. The Office of Financial Aid combines the credit hours earned in Summer A and Summer B to determine eligibility for federal loans. The Office of Financial Aid may award any remaining Federal Direct Unsubsidized Loan eligibility to be used for summer enrollment periods. If the student is otherwise eligible for financial aid but has no remaining Federal Direct Unsubsidized Loan eligibility, Federal Direct GradPLUS loans may be awarded. Students who may not be eligible for federal aid based on enrollment plans may be eligible to borrow a private alternative loan as a last resource. The Office of Financial Aid recommends that students discuss available options if they are considering summer enrollment. Students who wish to apply for assistance in the summer periods must complete a summer aid application in addition to the current year FAFSA.

**Are students eligible to receive financial aid when working on their thesis for the MBS program?**
Yes, students will apply for aid per the normal process. Students may borrow loans to pay for the continuation fee that they will be charged in place of tuition as well as living expenses. Actual eligibility for these loan programs will be outlined on your Financial Aid Notice. Students who wish to apply for assistance in the summer periods must complete a summer aid application.
If I am enrolled in the MS-PREP/Acupuncture program and am currently attending both schools, am I eligible for financial aid?
Yes, students may be eligible to receive financial aid if they meet the standard aid eligibility requirements listed above. Students that are enrolled in both programs simultaneously should apply for aid with NESA (Massachusetts College of Pharmacy and Health Sciences). Additionally, students should contact the Financial Aid Office at NESA (MCPHS) to discuss issues pertaining to their aid eligibility.

If I am enrolled in the MBS/MBA program, how are my tuition and fees paid for the MBA coursework done at Brandeis?
Students will be billed and pay all applicable tuition and fees to Tufts for coursework associated with both programs. In addition, all aid eligibility will be determined and/or disbursed by the Office of Financial Aid at TUSM.

If I am enrolled in the MBS/MBA program are students required to continue working on their thesis while completing coursework at Brandeis?
Yes, students are eligible to receive federal financial aid only if they are enrolled at TUSM on at least a half-time basis. Students working on their thesis satisfy that requirement and progress will be measured accordingly to ensure students are meeting that obligation. Should a student decide to no longer pursue the MBS portion of their degree and/or cease to work on their thesis, they would be immediately withdrawn from TUSM and all aid eligibility would need to be determined by Brandeis. In addition, TUSM may need to return funds based on the timing of your withdrawal and your aid eligibility. See FINANCIAL AID IN THE CASE OF WITHDRAWAL for additional information.

GRAMM-LEACH BLILEY ACT

The Financial Modernization Act of 1999, also known as the “Gramm-Leach-Bliley Act” or GLB Act, includes provisions to protect consumers’ personal financial information held by financial institutions. The GLB Act gives authority to eight federal agencies and the states to administer and enforce the “Financial Privacy Rule” and the “Safeguards Rule”. These two regulations apply to “financial institutions,” which include not only banks, securities firms, and insurance companies, but also companies providing many other types of financial products and services to consumers, including universities who administer loans and other financial aid.

The Financial Privacy Rule governs the collection and disclosure of customers’ personal financial information by financial institutions. It also applies to companies, whether or not they are financial institutions, who receive such information. Because universities are already subject to the privacy provisions in the Federal Educational Rights and Privacy Act (“FERPA”) (see Privacy Information section of this Handbook), the Federal Trade Commission decided that institutions of higher education that are complying with FERPA in protecting the privacy of their student financial aid records will be deemed to be in compliance with the GLB Act.

The Safeguards Rule requires all financial institutions that collect or receive customer financial information to design, implement and maintain safeguards to protect such information. Tufts University maintains safeguards to protect student financial information and generally requires that third parties who provide services to the University which requires them to have access to student financial information maintain safeguards that comply with the GLB Act.
TUITION, FEES AND REFUND POLICIES

TUITION (2019-2020 ACADEMIC YEAR)*

MPH
For students admitted during or after Summer 2018: $1,725 per credit
For students admitted before Summer 2018: $1,857 per credit

BA/MPH
$25,352 flat rate/sem.

MBS/MPH
$30,784 flat rate/sem.

JD/MPH
$25,352 flat rate/sem.

MS/MPH
Fulltime $25,352 flat rate/sem.
Halftime $12,676 flat rate/sem.

DrPH
Fulltime $21,576 flat rate/sem.
Part time $2,055 per credit

MS-Health Communication
For students enrolled in Fall 2019: $1,857 per credit

Certificate in Digital Health Communication $3,044 flat rate/sem.

MS- Health Informatics & Analytics $1,400 per credit

MS - Pain Research, Education, and Policy
For students enrolled in Fall 2019: $1,857 per credit

MS in Biomedical Sciences $25,219 flat rate/sem.

Combined MD/MPH and DVM/MPH** $7,656 per year

Combined MD/MBA** $1,099 per credit

Combined MBA/MBS flat rate by semester:
Summer II: $13,188
Fall I: $17,584
Spring I: $21,980
Summer I: $17,584

Combined DMD/MPH $12,072 per year

Physician’s Assistant Program
For new students enrolling in Spring 2020: $16,310 flat rate/sem.

Combined PA/MPH $10,208 flat rate/sem.

FEES

Student Activity Fee $35 per semester
Student Health Administration Fee (description below) $125 per semester
Technology Fee (description below) $114 per semester
Late Registration Fee (description below) $200 per semester

*All tuition and fees are for the 2019-2020 academic year and are subject to change.
**Student Activity Fee**
All matriculated students are required to pay a Student Activity Fee. Funds are used by the Public Health Student Senate (PHSS) to support the interests and activities of the PHPD Programs’ students. The fee is also used to support students’ use of the on-campus Fitness Center.

**Student Health Administration Fee**
All matriculated students ("in degree programs") are required to pay a Health Administration Fee. This fee covers the cost of immunization screening, health plan administration, short-term counseling, and a limited dental benefit. One-half of the annual fee is charged in the fall semester, the other half in the spring semester. Please refer to the Student Services section of this handbook for a complete description of the health insurance plan offered by TUSM and the services, procedures, and policies of the Student Advisory and Health Administration Office.

**Technology Fee**
All matriculated students are required to pay a technology fee. This fee helps cover the costs associated with maintaining and upgrading the computer equipment and software available in the Learning Resource Center (Medical Education Building 518) and the Multimedia Center (75 Kneeland St, 6th floor). The Learning Resource Center and the Multimedia Center are available for classroom and student use. One half of the annual fee is charged in the fall semester, the other half in the spring semester.

**Late Registration Fee**
All students are required to register during the scheduled registration period. There is a $200 late registration fee for all initial registrations submitted one week before classes begin. The fee is not assessed for schedule adjustments (drop/add).

**BILLING AND PAYMENT**
Tufts University bills tuition and fees electronically via Tufts eBill. New students will receive preliminary information in May or June through their Admissions Office, outlining the Tufts eBill enrollment and billing process. Beginning in June, new students will receive a specific email notice with instructions on how to set up a Tufts eBill account. Once a student’s account has been set up, others (i.e. parents) may be invited by the student to view and/or pay the bill.

If you have pre-registered, you will receive a bill in advance of the due date. Fall semester bills are due the first week of August. Spring semester bills are due the first week of December. The specific due date each semester will be noted on your bill. If you register close to the due date, you may need to make payment without the benefit of an advance bill. If courses or services are added after the semester due date, advance payment is required. Payments must be received by the due date printed on the statement in order to avoid a 10% late payment fine.

For more information regarding making payments, please visit the [Health Sciences Bursar website](#).

Students who are not financially cleared by the first day of classes are subject to cancellation of their semester’s registration. Reinstatement is obtained only through arrangement with the Office of Student Services for Public Health and Professional Degree Programs. In the semester preceding graduation, any payments made within two weeks before commencement must be paid by a bank check or certified funds. Diplomas and official transcripts of records for those in arrears are regularly withheld until all payments have been made.

Under S2248 PL 115-407 Section 103, Tufts will not impose a late fee, denial of access to facilities, or other penalty against a veteran or eligible dependent due to a late payment of tuition and/or fees from the VA up to the certified benefits amount. Any portion of the balance not covered by VA benefits is still expected to be settled by the due date.
TUITION REFUND POLICY

The university refund policy, to be applied in the event a student withdraws from the University after the beginning of a fall or spring term, is as follows:

- 1st-12th calendar day of the semester: 80% tuition refund
- 13th-19th calendar day of the semester: 60% tuition refund
- 20th-26th calendar day of the semester: 40% tuition refund
- 27th-33rd calendar day of the semester: 20% tuition refund
- Thereafter: No refund

The refund policy for summer sessions I and II is as follows:

- 1st-7th calendar day of the session (I and II): 80% tuition refund
- 8th-14th calendar day of the session (I and II): 50% tuition refund
- Thereafter: No refund

The university refund policy, to be applied in the event a student withdraws from a course after the beginning of the fall or spring terms, is as follows:

- 1st-14th calendar day of the semester: 100% tuition refund
- 15th-20th calendar day of the semester: 60% tuition refund
- 21st-25th calendar day of the semester: 40% tuition refund
- 26th-30th calendar day of the semester: 20% tuition refund
- Thereafter: No refund

The refund policy for summer sessions I and II is as follows:

- 1st-7th calendar day of the session (I and II): 100% tuition refund
- 8th-14th calendar day of the session (I and II): 50% tuition refund
- Thereafter: No refund

The refund Policy for Health Informatics and Analytics for withdrawals from the University or withdrawal from a course:

- 1st to 14th calendar day of the semester: 100% tuition refund
- 15th – 21st calendar day of the semester: 50% tuition refund
- Thereafter: No refund

The date of withdrawal will be considered the date on which the Office of Student Services for Public Health and Professional Degree Programs receives written notice of the withdrawal from the student. Other charges for the term, such as the health administration fee, are not pro-rated upon withdrawal during a term. Withdrawal prior to the beginning of a term will result in cancellation of all charges.

If a student withdraws before the first day of the semester, all financial aid funds will be returned. The Office of Financial Aid is required to calculate how much Title IV aid (Federal Subsidized/Unsubsidized Loans and Perkins Loans) the student earned based on how many days of the semester the student attended. "Unearned" Title IV aid is required to be returned to the lender(s) by the student and/or the school in this order: Unsubsidized Loan, Subsidized Loan, Perkins Loan. The return of unearned money may leave the student with a balance, which the student is responsible to pay. If considering withdrawal, students should meet with their Financial Aid Advisor to determine the effect on their federal loans.

MEDICAL LEAVES OF ABSENCE

In the event of a leave of absence (medical or other) or withdrawal the University refund policy will apply for any period of leave. Students are strongly encouraged to meet with their Financial Aid Advisor in the Office of Financial Aid to discuss the consequences of taking a leave or withdrawing.

ACADEMIC DISMISSAL

No tuition refunds other than that due under the refund policy stated above is made when a student is required to withdraw by the University authorities or when a student withdraws from a course with a W grade. Fees are not refundable.
FINANCIAL AID IN THE CASE OF WITHDRAWAL

If a student completely withdraws from school during a semester and before 60% of the semester has passed, federal regulations require that a school determine the percentage of any Federal Aid received that is earned. The amount of aid earned is calculated by multiplying the total federal aid by the percentage of the term for which the student was enrolled before withdrawing. If the amount of aid earned is less than the amount of aid already disbursed to the student, a repayment may be required. If the aid disbursed was used to pay institutional charges (i.e. tuition), then that portion of that aid that is unearned as calculated by this federal formula, will be repaid by TUSM, in the order prescribed by federal regulation; first to Federal Direct Unsubsidized Loans, then to Federal Direct Subsidized Loans, then to Federal Perkins Loans, and finally to Federal Direct Grad PLUS Loans. Please note that your tuition liability remains as described above, according the TUSM Refund Policy. If Federal loan money used to pay tuition must be returned to the lender according to the federal calculation, any balance due remaining on the student’s account becomes the student’s responsibility. The student is responsible for repayment of any unearned living expense money from federal aid advanced before the withdrawal. If the total amount of this repayment due comes from loans or work-study, then the student may make this repayment under the original terms of the loan. Please contact the Office of Financial Aid for more information on this policy. Students would also be required to do an exit interview online at www.studentloans.gov if they are withdrawing or going on a leave of absence.
INFORMATION STEWARDSHIP POLICY & SUPPORTING POLICIES

OVERVIEW

The Information Stewardship Policy (ISP) outlines the actions all members of the Tufts community are expected to follow when working with institutional data and systems. The ISP is supported by three additional policies that assist in providing a framework for required behaviors and roles and responsibilities. They are the Use of Institutional Systems Policy, the Information Classification and Handling Policy, and the Information Roles and Responsibilities Policy.
OFFICE OF EQUAL OPPORTUNITY

Office of Equal Opportunity (OEO)
Medford Campus
196 Boston Avenue, Suite 4000B
Medford, MA 02155
oeo@tufts.edu

Phone: 617-627-3298
Fax: 617-627-3150
TTY: 617-627-3370

Tufts does not discriminate in its educational programs or activities on the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender (including pregnancy, sexual harassment and other sexual misconduct including acts of sexual violence such as rape, sexual assault, sexual exploitation and coercion), gender identity and/or expression (including a transgender identity), sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law. Retaliation is also prohibited. Tufts will comply with state and federal laws such as M.G.L. c. 151B, Title IX, Title VI and Title VII of the Civil Rights Act, the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act, and other similar laws that prohibit discrimination. More detailed Tufts policies and procedures on this topic may be found in the OEO Policies and Procedures Handbook.

Unlawful discrimination has no place at Tufts University and offends the University’s core values which include a commitment to equal opportunity and inclusion. All Tufts employees, faculty members, students and community members are expected to join with and uphold this commitment.

Any member of the Tufts University community has the right to raise concerns or make a complaint regarding discrimination under this policy without fear of retaliation. Any inquiries regarding the application of this statement and related policies may be referred to Jill Zellmer, MSW, Executive Director of the Office of Equal Opportunity, Title IX and 504 Coordinator, at 617.627.3298 at 196 Boston Avenue, 3rd floor, Medford, MA or at Jill.Zellmer@tufts.edu. Anonymous complaints may also be made via the online Incident Report Form or by using the hotline at 1.866.384.4277. As set forth in our policies, individuals may also file complaints with administrative agencies such as the U.S. Department of Education, Office for Civil Rights (“OCR”). The contact information for the local office of OCR is 617.289.0111 at Office for Civil Rights, Boston Office U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921. The email address for OCR is OCR.Boston@ed.gov.

TUFTS UNIVERSITY DISCRIMINATION/HARASSMENT POLICY (MGL 151B & TITLE VII)

Tufts University is committed to the principle of equal opportunity in education and employment. Tufts prohibits discrimination against and harassment of any student, employee, applicant for employment, third party or community member because of race; color; national or ethnic origin; age; religion; disability; sex; sexual orientation; gender; gender identity and expression; including a transgender identity; genetics; veteran status; retaliation; and any other characteristic protected under applicable federal or state law, called "protected categories." The University expects all Tufts employees, students, and community members to join with and uphold this commitment.

Tufts University prohibits retaliation based on a protected activity, such as the filing of a complaint of discrimination or participation in the investigation of such a claim. Any witness, complainant or respondent involved in an investigation ought not to be retaliated against for their participation in the fact-finding process.

All Tufts personnel at the exempt level who are responsible for hiring, promoting, and managing employees and/or University programs are required to promptly escalate all potential violations of this policy to a manager or supervisor, a dean, any senior member of the University administration, directly
Tufts University’s OEO is also responsible for planning and implementing the University’s affirmative action program and monitoring affirmative action-related decisions and activities in accordance with state and federal law. Tufts University seeks to maintain an internal system of audit and reporting that shall facilitate the identification and removal of inequities and deficiencies in its employment and those policies and practices that could preclude the fair and equal treatment of minorities, women, individuals with disabilities, and all protected veterans. For information about the Non-Discrimination Policy, please visit the OEO website.

TUFTS UNIVERSITY SEXUAL MISCONDUCT/SEXUAL ASSAULT POLICY (TITLE IX)

Unlawful discrimination has no place at Tufts University. It violates the University’s core values, including its commitment to equal opportunity and inclusion, and will not be tolerated. Sex and gender based discrimination and harassment are prohibited by Tufts University policy and can constitute violations of state and/or federal law. State and federal law, including Title IX of the 1972 Education Amendments, prohibits sex and gender based discrimination in all of the University’s programs and activities, and Title VII of the 1964 Civil Rights Act, and its state counterpart, M.G.L. c. 151B, prohibits sex and gender based discrimination in employment. Tufts University policy, the Violence against Women Act (VAWA), as amended, and other state and federal laws prohibit sexual assault, stalking and relationship violence (including dating and domestic violence).

Tufts is committed to providing a campus environment free of sex and gender based discrimination, and sex and gender based harassment. To that end, Tufts prohibits sexual misconduct, that, under this policy, can include: (1) sex and gender based discrimination; (2) sexual and sex and gender based harassment (including a hostile environment based on sex or gender); (3) sexual assault; (4) sexual exploitation; (5) stalking; and (6) relationship violence (including dating and domestic violence). Under Tufts University policy, sexual misconduct can occur in any sex or gender configuration (i.e., between the same sex or different sex or gender) and regardless of actual or perceived sex, gender, gender identity, gender expression, and/or sexual orientation. Tufts also prohibits retaliation.

Sexual misconduct is not limited to the workplace or the educational environment. It can extend beyond University property and could occur at any University sponsored program, activity, or event regardless of the location. It can occur out of state or country, such as at a conference, off-site project, study abroad, field placement, or at an externship. Sexual misconduct can occur between students, employees and third parties such as visitors, vendors, contractors and other community members. Tufts’ Sexual Misconduct Policy applies broadly and in many different circumstances. Tufts will consider the effects of the off-campus conduct when evaluating whether there is a hostile environment on campus. For more information about Sexual Misconduct Policy, support resources/interim measure and University response to allegations of Sexual Misconduct, please visit the OEO website. Any concerns regarding Sexual Misconduct can be reported to Office of Equal Opportunity (OEO) at 617.627.3298 or to oeo@tufts.edu. Reports can also be made online, with the option to report anonymously, to EthicsPoint or by using the hotline at 1.866.384.4277.

TUFTS UNIVERSITY AMERICANS WITH DISABILITIES ACT (ADA) POLICY

The Americans with Disabilities Act (ADA), and Section 504 of the Rehabilitation Act, require Tufts University to provide appropriate academic and employment accommodations to employees and students with disabilities unless doing so would create an undue hardship, compromise the health and safety of members of the University community, or fundamentally alter the nature of the University’s employment or academic mission.

Tufts University is committed to providing reasonable accommodations for qualified individuals with disabilities, including chronic illness in a fair and equitable manner, and in accordance with applicable federal and state law. All personnel who are responsible for the implementation of the University’s mission are charged to support this policy.
If you have accommodation requests, questions or concerns please contact the Assistant Dean for Student Services at (617) 627-2497. She can also be reached via email janice.gilkes@tufts.edu. For more information about the American with Disabilities Act and other policies regarding accommodations, please visit the OEO website.

All other questions or concerns for the Office of Equal Opportunity (OEO) should be addressed to the OEO Executive Director, Jill Zellmer. She can be reached by calling the OEO main number (617) 627-3298. She can also be reached via email at oeo@tufts.edu.

TUFTS UNIVERSITY RELIGIOUS ACCOMMODATION POLICY

Tufts University is committed to providing an academic and work environment that is respectful of the religious beliefs of its students and employees. All students may request a religious accommodation by making a written request for an accommodation to the appropriate faculty member or administrator. Accommodation requests will be made on a case-by-case basis taking into account multiple factors.

If you have accommodation requests, questions or concerns please contact the Office of Equal Opportunity (OEO) by calling (617) 627-3298 or emailing oeo@tufts.edu.
GRIEVANCE POLICY AND PROCEDURE

STATEMENT OF PHILOSOPHY

Public Health and Professional Degree Programs (PHPD) is committed to fostering an environment that promotes academic and professional success in students, teachers and administrators at all levels. The achievement of such success is dependent on an environment free of behaviors which can undermine the mission of our institution where an atmosphere of mutual respect, collegiality, fairness, and trust is essential to that mission. Although teachers, students and administrators bear significant responsibility in creating and maintaining this atmosphere, teachers also bear responsibility with respect to their evaluative roles relative to student work and with respect to modeling appropriate professional behaviors. Teachers must be ever mindful of this responsibility to conduct themselves professionally in their interactions with their colleagues and those whose education has been entrusted to them. Abusive behavior or mistreatment of anyone in the learning environment is unacceptable. Any student who feels mistreated is entitled to file an informal complaint or a formal grievance to address unacceptable behavior.

RESPONSIBILITIES IN THE TEACHER-STUDENT RELATIONSHIP

Responsibilities of Teachers:
- Treat all students with respect and fairness.
- Treat all students equally regardless of age, gender, race, ethnicity, national origin, religion, disability, sexual orientation or gender identity or expression.
- Provide current materials in an effective format for learning.
- Be on time for class.
- Provide timely feedback with constructive suggestions and opportunities for improvement/remediation when needed.
- Assign grades that fairly reflect student performance.

Responsibilities of Students:
- Treat all fellow students and teachers with respect and fairness.
- Treat all fellow students and teachers equally regardless of age, gender, race, ethnicity, national origin, religion, disability, or sexual orientation.
- Commit the time and energy to studies necessary to achieve the goals and objectives of each course.
- Be on time for class.
- Communicate concerns/suggestions about the curriculum, didactic methods, teachers, or the learning environment in a respectful, professional manner.

Responsibilities of Administrators:
- Treat all teachers and students with respect and fairness.
- Treat all teachers and students equally regardless of age, gender, race, ethnicity, national origin, religion, disability, sexual orientation or gender identity or expression.
- Address all administrative matters in a fair and timely manner.

BEHAVIORS INAPPROPRIATE TO THE TEACHER-STUDENT RELATIONSHIP

Inappropriate behaviors are those that demonstrate disrespect for others or lack of professionalism in interpersonal conduct. Although there is inevitably a subjective element in the witnessing or experiencing of such behaviors, certain actions are clearly inappropriate and will not be tolerated at Tufts University. These include, but are not limited to, the following:

- Loss of personal civility including shouting, arguing, personal insults or attacks, displays of temper (such as throwing objects);
- Requests for others to perform inappropriate personal services unrelated to the didactic situation at hand;
- Any activities resulting in monetary exchange or profit;
Grading/evaluation on factors unrelated to performance, effort, attendance, level of achievement or professionalism;

Unwanted physical contact (e.g. hitting, slapping, kicking, pushing) or the threat of the same;

Sexual harassment or harassment based on age, gender, race, ethnicity, national origin, religion, disability, sexual orientation or gender identity or expression (see http://oeo.tufts.edu/policies-and-procedures/sexual-harassment-policy/ for university policy and procedures);

Consensual romantic relationships between teachers and students in which the teacher has a role in determining the student’s academic progress;

Discrimination of any form in teaching and/or assessment based upon age, gender, race, ethnicity, national origin, religion, disability, sexual orientation or sexual identity or expression.

RESOURCES FOR ADVICE AND CONFLICT RESOLUTION

In the interest of having all members of the PHPD community perform their duties and obligations in a harmonious and effective manner, PHPD recognizes the importance of prompt and equitable disposition of any complaint or grievance at the lowest possible organizational level utilizing procedures with maximum informality and flexibility. It is strongly encouraged that problem solving and conflict resolution be accomplished, if it can, without requiring that a formal written Grievance be filed in a manner as outlined below. In that spirit, any concerns, problems, and complaints may be discussed without fear of retaliation with various individuals in PHPD including the Course Director, the Program Director or designate, the student’s Academic Advisor, Assistant Dean of Student Services for PHPD or any member of the Grievance Committee. Every effort will be made to resolve the matter informally. Students are also entitled to file a formal Grievance using the procedure set forth below.

PROCEDURES

To handle allegations of inappropriate behavior in the teacher student context or other formal grievances, if a student is unable to resolve a conflict informally and chooses to file a formal Grievance, this must be done in writing through the Chair of the PHPD Grievance Committee. If at any time during the grievance process it appears that an informal resolution is indicated, it still may be achieved in that manner. Otherwise, the Chair will investigate the complaint and attempt to resolve the matter by working with the appropriate individuals within PHPD. If the complaint cannot be resolved in this manner, the student will be offered the opportunity to put the Grievance in writing. Please note that because final grades may only be changed if there is an error in calculation, grades are not an appropriate subject for grievances. For all other matters, the Chair will forward the grievance to the Assistant Dean of Student Services for PHPD. The Chair of the PHPD Grievance Committee and the Assistant Dean of Student Services for PHPD will together assign a third (ad hoc) member of the Grievance Committee (appropriate to the Grievance). If any member of the Grievance Committee is named in the Grievance, that person will be excused from service on the Committee and the Associate Dean shall name an alternate. The Grievance Committee will conduct an investigation of its own and make a decision or take appropriate action which will be communicated to the student. If the student is not satisfied, he or she may appeal the decision/action of the Grievance Committee to the Dean for PHPD. The decision of the Dean for PHPD may be further appealed to the Dean of Tufts University School of Medicine, whose decision will be final.

The formal Grievance Process is thus as follows:

1. The student fills out the Grievance Form obtained from the PHPD Office of Student Services with adequate clarity and detail to describe the nature of the grievance;
2. The student delivers the Grievance Form to the Chair of the PHPD Grievance Committee via mail, email or in person;
3. The PHPD Grievance Committee Chair will forward a copy to the Assistant Dean of Student Services for PHPD.
4. The Assistant Dean of Student Services for PHPD, in collaboration with the chair of the Grievance Committee, will select a third (ad hoc) member to join the Grievance Committee;
5. The Grievance Committee will conduct an investigation, meet with whomever it deems appropriate to the situation and issue a decision in writing;
6. The Chair of the Grievance Committee will deliver the decision to the Student and advise the student of his/her right to appeal to the Dean for PHPD.
7. The student will be told that he/she may further appeal the decision to the Dean of TUSM, whose decision will be final.

PHPD Grievance Committee
Chair of Grievance Committee
Second Standing Member
3rd person to be assigned ad hoc by Janice Gilkes, Assistant Dean of Student Services for PHPD as appropriate to the Grievance Committee

Committee Composition
Chair of Grievance Committee: Amy Lischko, Ph.D.
Second Standing Member: Margie Skeer, ScD, MPH, MSW
Third faculty member assigned ad hoc by Janice Gilkes, Assistant Dean of Student Services for PHPD

FACILITIES

The Hirsh Health Sciences Library (HHSL) spans the fourth through the seventh floor of the Medical Education Building. The library may be entered via any of these floors from the elevators or stairs. A bridge connects the fourth floor of the HHSL to the third floor of the Dental Building and the Tufts Medical Center. The fourth floor houses the Library Service Desk, Reference and Reserve collections, current journals, the leisure reading collection, public computers with Internet access, study areas and a cafe. A house phone is located on the east end of the building, near the main elevators, and a bulletin board is located across from Security at the bridge to the Dental Building.

The fifth floor houses the circulating book collection, study rooms, classrooms, and the IT Walk-Up Support Desk and the Datalab. Two computer labs are available for teaching and individual or group study. The lab facilities provide access to Internet applications, a variety of standard word-processing, spreadsheet, database and presentation-graphics programs and other software that support the curricula of the health sciences schools. The IT Walk-Up Support Desk, staffed by Tufts Technology Services employees and student workers, provides support for students’ personal computers.

To reserve a lab, please book online at http://roomscheduling.tufts.edu or email hhsl-rooms@tufts.edu. Students can also reserve several collaboration rooms. More information is available at http://tufts.libcal.com/booking/hhsl.

The sixth floor houses the library’s staff offices, classrooms, a study room, study carrels and the Allan D. Callow Room (also known as the Special Collections Room). The Special Collections Room contains works on the history of science and medicine, imprints prior to 1914 and historical artifacts that may be viewed by contacting the Library Administration Office (617-636-2481).

A house phone is located on this floor in the central library staircase.

The seventh floor houses the print journal collection (A-Z titles of print-only subscriptions, print copies of some journals also received electronically and older volumes), study rooms, and study carrels.
POLICIES

The library operates within the constraints of the U.S. Copyright Law in regard to the photocopying of printed materials and interlibrary loans and within license restrictions for electronic materials.

Please turn off the ringer on cellular telephones and pagers before entering the library. Urgent calls can be made or received in the library’s stairwell.

Protective gowns, lab coats, masks, gloves, caps and shoe covers are not permitted in the library. Please dispose of such items properly before entering.

Suggestions or comments regarding the library’s policies, services and collections are welcome. Send them by email to hhsl@tufts.edu and the library will respond promptly.

PRIVILEGES

Library Service Desk by presenting a Tufts ID, which may be obtained from the Tufts Police Department at 136 Harrison Avenue. Upon registration, the Tufts ID card is activated as a library card, which is required for borrowing items, electronic access to materials and certain library services. The activated ID card is valid for access and borrowing at all Tufts University libraries. For further information on other Tufts libraries, please visit the Tufts Libraries Access site or inquire at the Library Service Desk (617-636-6705).

Students are eligible to receive support for their personal computers and mobile devices at the IT Walk-Up Support Desk on the fifth floor. Some of the services provided are software installation, virus removal and registration to use the Tufts network. Please visit https://it.tufts.edu/ for more information, inquire at the IT Support Desk, call 617-637-3376 or email it@tufts.edu.

Mac and PC laptops are available for students to borrow for use within the library for 4-hour periods. Laptops may be checked out from the Library Service Desk on the fourth floor. A variety of phone chargers, plugs and converters are also available to borrow for 4-hour periods.

As a user of the Tufts University Hirsh Health Sciences Library, you accept responsibility for the return of all materials borrowed from any of the Tufts University Libraries or from other libraries through document delivery. All fees incurred for lost, damaged or late items must be paid, and failure to pay such fees may result in a loss of library privileges, an attachment of wages, or additional charges on term bills. You agree to abide by all HHS Library policies, and you are responsible for copyright compliance as well as Tufts University policies concerning the responsible use of resources.

Boston Library Consortium

Tufts University is a member of the Boston Library Consortium (BLC), an association of research and academic libraries in New England. While only a Tufts ID is required for admittance to most Consortium libraries, Consortium cards are necessary for access to certain restricted libraries and for borrowing at most institutions. Tufts faculty, staff and students may apply at the Library Services desk for these cards at no cost. For more information, please consult the Boston Library Consortium site or contact the Library Service Desk (617-636-6705). Member institutions include:

- Bentley University
- Brandeis University
- Boston College
- Boston University
- Marine Biological Laboratory and Woods Hole Oceanographic Institution
- Northeastern University
State Library of Massachusetts
Tufts University
University of Connecticut
University of Massachusetts - Amherst, Boston, Dartmouth, Lowell
University of Massachusetts Medical School
University of New Hampshire
University of Rhode Island
Wellesley College
Wesleyan University
Williams College

**Other Libraries**
Francis A. Countway Library of Medicine
Harvard Medical School
10 Shattuck Street
Boston, MA 02115
Reference: 617-432-2134

Upon presentation of a valid Tufts ID, faculty and students of the medical, dental and veterinary schools may have access but not borrowing privileges from the Countway Library.

Law Library
New England School of Law
145 Stuart Street
Boston, MA 02116
Reference: 617-422-7299

Upon presentation of a valid Tufts ID, faculty, staff and students of the Tufts health sciences schools may have access but not borrowing privileges from the Law Library.

**SERVICES**

**Circulation & Reserve**
Registered faculty, staff and students may borrow circulating books for four weeks with two renewals and are responsible for returning them on time. For each lost or damaged item, the charge levied amounts to the replacement cost plus a $15 processing fee. Borrowing privileges may be suspended for borrowers with overdue books or unpaid bills. Outstanding library bills are sent directly to the Bursar's Office for collection. See the reserve borrowing policy for details.

Duplicate copies of some reserve books may be borrowed after 4:00 p.m. on weekdays for overnight use and on Fridays for weekend use. Reserve books are due by 9:00 a.m. the following school day. Only one reserve book may be borrowed at a time for overnight/weekend use. Certain texts in high demand are kept behind the Library Service Desk. Please refer to the policy for overdue reserve items that describes the late penalties.

**Document Delivery & Interlibrary Loan**
Members of the Tufts community can obtain books, audiovisual materials and journal articles from other libraries through interlibrary loan by registering for ILLiad, Tufts’ web-based document delivery system, at https://hirshlibrary.tufts.edu/services/ill/illiad. ILLiad allows users to order and track requests and view/print articles. Students may request up to twenty articles or books per academic year at no charge. Use the FindIt@Tufts links from the licensed resources to request articles via ILLiad.

For further information, please contact Document Delivery at 617-636-3787 or email hhsl-docdel@tufts.edu.

**Library IT**
Tufts Technology Services maintains all the public computers in the library and serves as first-tier support for computer questions. The labs on the 5th floor are open for computer-assisted instruction, personal computing, internet access and email. The IT Walk-Up Support Desk provides services such
as software installation, virus removal and registration to use the Tufts network. Please visit 
it.tufts.edu/requests
up for more information or inquire at the fifth-floor IT Service Desk (617-637-3376).

**Online Learning Systems**
The School of Medicine, including all PHPD programs currently use the **TUSK (MBS and Physician Assistant Programs)** and **Canvas (Public Health Programs)** knowledge management system for sharing curriculum materials.

**Printing & Scanning**
Color laser print stations are located on the 4th and 5th Floors. Black-and-white printers are located on the 4th and 5th Floors. Patrons can send print request(s) from all public computers in the library. Charges for printing, which must be paid by JumboCash debit from the student ID or a guest card, are 10 cents for each B&W page (15 cents duplex) and 30 cents for color (45 cents for duplex). Tufts students and employees can add value online to their ID through Dining Services, at www.jumbocash.net. Three self-service scanners are available on the 5th floor. There is no cost for scanning. For information about printing and scanning, please consult the [Hirsch Health Sciences Library Services](#) site.

**Reference and Educational Services**
Research and Instruction librarians are available Monday through Friday from 7:45 a.m. to 5:00 p.m. to answer questions regarding the collections, facilities and information resources of the HHSL, other Tufts libraries and regional libraries. They can also be reached through the AskUs chat service. Services include customized searches and instruction of biomedical databases such as MEDLINE, research support for faculty, information and reference support for course projects, support and instruction for bibliographic management software like EndNote and help obtaining full-text articles via the library’s website.

Library users may also request professional consultations with HHSL Research & Instruction Liaison Librarians through https://hirshlibrary.tufts.edu/research/assistance, or by calling 617-636-6705.

JumboSearch, found on the [library home page](#), lists books, journals, databases, audiovisual materials and other works held by its libraries in Boston, Grafton and Medford. JumboSearch links directly to a large collection of electronic books and full-text journals, most of which require a Tufts email account for access. Clicking on a journal title allows access to a list of the available volumes or its vendor’s search engine. Ovid databases and PubMed should be accessed from the HHSL homepage, as this will link users to all Tufts’ licensed journals at the article level. Full text can also be accessed through the FindIt@Tufts link located on the results screens of our licensed resources.

For more information about electronic journals, please consult the [Electronic Journals site](#).

Suggestions for book purchases and journal subscriptions may be made using the [online form](#).

**Wireless Computing**
Tufts faculty, staff and students who register their laptop computers may then use them to connect to the campus network and the internet on all Tufts campuses. Laptops may be registered at the IT Service Desk, Sackler 5: Monday – Friday, 9 a.m. – 5 p.m. For further information, please consult the [Hirsh Health Sciences Library Computer and Mobile Device Support](#) page.
CAMPUS POLICE

Linda O’Brien, Deputy Chief
Campus Police
M&V Wing, 1st floor
136 Harrison Avenue
(617) 636-6911 (emergencies only)
(617) 636-6610 (routine, non-emergency calls)

The Tufts University Police are responsible for safety and security on the Boston Campus and are on duty 24 hours a day, 7 days a week. The University Police station is located at 136 Harrison Avenue in the lobby of the Medical and Veterinary Wing. You should phone the police at (617) 636-6911 or 66911 (in-house phone) in any emergency or to report all suspicious activities.

The Tufts University Police department is an accredited police agency and receives police authority from the Commonwealth of Massachusetts and the County of Suffolk in which Boston is located. This authority enables the police to make arrests for any criminal offense committed in or upon lands or structures owned, used, or occupied by Tufts University. All Tufts Police officers are armed and well trained in all areas of criminal law. Tufts Police officers are trained at state recognized law enforcement training academies and through ongoing in-service and specialized training programs.

The Tufts Police maintain a lost and found department for the Boston Campus. They also have engravers, which are available to you at no charge for marking your property. In addition, there is a crime prevention officer on the Boston Campus who provides literature and gives talks on various crime prevention topics. The crime prevention unit advocates awareness as the first step in making the Tufts community a safe one.

SAFETY AND ESCORT SERVICE

Students should be aware that crime does occur in the area surrounding the medical school. It is strongly advised that students use the escort services, or travel in pairs or groups. Incidents of theft and assault are of grave concern to the Tufts Community. The Tufts University Police are constantly working toward providing an environment that is as safe as can be reasonably expected, and to educate the community in reducing the opportunities for crime.

For all students who are working or studying in University buildings, escort service is provided. Call the Campus Police (6-6610) to make arrangements when you are ready to leave. For students parked in Herald or Travelers lots, or on rotation at Tufts Medical Center, the Hospital provides a van escort service. This shuttle service runs between the main entrance to the Floating Hospital at 755 Washington Street and the Herald and Traveler's Street parking areas 24 hours a day Monday to Friday. Call (617) 636-5580 or 6-5580 for additional details on the shuttle service and parking.

NON-RESIDENT MOTOR VEHICLE REGISTRATION

Commonwealth of Massachusetts law requires that all students who reside in a state or country other than Massachusetts and plan to operate a motor vehicle (car, truck and/or motorcycle) while attending Tufts University School of Medicine must provide the Campus Police with the following information no later than September 30, 2019.

- Registration (license plate) number
- Make and year of motor vehicle
- State or country of registration
- Name and address of the owner of the motor vehicle
- Name(s) and address(es) of all insurers providing liability insurance covering operation of the motor vehicle
- Legal (permanent) address of student
- Current local address of student

72
The Campus Police will maintain a file of this information and also send a copy to the Boston Police and the Registrar of Motor Vehicles for the Commonwealth of Massachusetts. You will be issued a decal, which must be affixed to the top center portion of the windshield of the motor vehicle. Failure to comply with this state law may result in a fine.

You may register by filling out a form obtained at the Campus Police office located in M&V 1.

**UNIVERSITY WEAPONS POLICY**

Tufts University is committed to maintaining a safe and secure environment where students, faculty and visitors can live, work and learn. In support of this, Tufts University prohibits the possession, manufacture, transfer, sale, or use of weapons by anyone on university property or at any university-sponsored event, except as explicitly authorized by the policies of the Tufts University Police Department (TUPD). For a detailed policy statement please refer to the [University’s weapons policy](#).
FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

Purpose
This notice establishes the University policy with respect to certain types of student records. This policy is designed to help students understand how to access their education records and, if they wish, how to prevent their disclosure to third parties.

Scope
This policy applies to all schools and divisions at Tufts University.

Policy Statement
The Family Educational Rights and Privacy Act of 1974 ("FERPA") provides students certain rights with respect to their educational records. In general, these rights include:

1) The right to inspect and review education records (with certain limited exceptions) within 45 days of the day Tufts receives a student's request for access. A student should submit any such request to the Registrar's Office in writing, identifying the specific records that the student wishes to inspect. The Registrar's Office will make arrangements for access and notify the student of the time and place where the records may be inspected. (Please see pg. 76 for a full listing of the types of education records that the university maintains; the location(s) of such records; and their custodians.

2) The right to request the amendment of education records if the student believes they are inaccurate. Students should submit any such request to the Registrar's Office in writing, clearly identifying the records that the student wants to have amended and specifying the reasons, the student believes those records to be inaccurate. The Registrar's Office will notify the student of the University's decision whether to amend the student's records. If the University decides not to amend the student's records, the Registrar's Office will inform the student of the right to a hearing regarding the student's request for amendment.

3) The right to require Tufts to obtain the student's written consent before releasing personally identifiable information from the student's education records unless an exception applies.

Definitions
For purposes of this policy a student is defined as someone who is (or someone who has) officially matriculated at the University, and who attends (or has attended) classes at Tufts. This definition does not include prospective students or applicants.

Education records are records relating to a student that are maintained by the University or by a party acting on its behalf, with some exceptions.

The initial record kept by the Office of Student Services for Public Health and Professional Degree Programs’ Registrar consists of material provided directly by you or by other persons or agencies at your request to the Admissions Office. Beginning in the Fall, 1975, letters of recommendation written on your behalf are deleted once you have matriculated, but the names of authors are retained. The remaining information includes application form, complete college transcript, transcripts from any other colleges you may have attended and standard test scores (GRE, TOEFL, MCAT, etc.). Thereafter, your file grows to include any or all of the following:

- Tufts transcript
- Transcripts from other colleges or programs
- Notification from faculty of grade change (make-up exams, errors, etc.)
- Forms or letters regarding status
- Copies of correspondence with Administrators
- Letters of recommendation
- Reports concerning incomplete courses
- Records of student request to view file
- Statements you may have entered into the records on your own behalf
- Copies of enrollment certifications sent on your behalf and
- Transcript request forms
The following records are **not** considered education records:
- Records created by a school official as a personal memory aid (such as notes of a private telephone conversation).
- Records of the Tufts University Police Department which are maintained separately and solely for law enforcement purposes.
- Most records created and maintained by a physician, psychiatrist, psychologist or other treatment purposes. Even though these records are not considered education records under FERPA, they may still be made available to students following completion of a HIPAA release form.
- Records pertaining to a former student other than those generated when that person was a student, such as alumni records.

**Personally identifiable information** includes a student’s name, address or other information that would allow a student to be identified. FERPA generally prohibits the University from disclosing personally identifiable information from a student’s education record without the student’s consent unless the information has been designated as directory information or another exception applies.

**Directory information** consists of the following:
- Student’s name
- Address (both local and permanent)
- Phone number (local, cell & permanent)
- Date and place of birth
- Academic program (school, degree, major, minor)
- Enrollment status (dates of attendance, full-time/part-time status)
- Degrees, honors and awards received
- Participation in athletics and student activities
- Most recent educational institution attended
- E-mail address
- Photo

**Privacy Blocks** are available to students who wish to prevent the University from disclosing their directory information (in student directories and commencement programs, for example) by selecting the appropriate privacy settings through SIS. For additional information about privacy blocks, please contact the Registrar’s Office.

**Release of Your Records to Third Parties**
Personally identifiable information in your records, except for directory information as discussed above, may not be given to third parties without your written consent, with the following exceptions:
- To Tufts officials such as employees and members of faculty and trustee committees who have a need to know or who are required to work with your records to carry out their duties.
- To officials of another education institution in which you seek to enroll. If your record is transferred, however, you will be entitled, upon request, to a copy of such records. This applies to other schools and colleges within the University and to institutions in which you may be cross-registered or enrolled at the University.
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local authorities responsible in connection with an audit or evaluation of federal or state supported education programs.
- To an individual or organization required to be informed in connection with your application or receipt of financial aid.
- To state and local officials to whom information is specifically required to be reported by state laws enacted prior to November 19, 1974.
- To appropriate parties in a health or safety emergency if necessary to protect your health or safety or that of another.
- In compliance with a subpoena, or in response to other legal action involving the student and the University.
- When the information is a record of a campus disciplinary proceeding. For students under the age of 21, the University may also inform parents about violations of any federal, state, or
local law, or any University rule or policy that governs the use or possession of alcohol or a controlled substance.

Any request or authorization to allow material from your files to be shown to third parties should include: (1) a specification of the records to be disclosed; (2) the purpose of the disclosure; and (3) the party or class of parties to whom disclosure may be made. For additional information about authorizing disclosures from your education records, please contact the Registrar's Office.

Please note that the University does not preserve students’ education records in perpetuity. In fact, most records are not maintained for more than 7 years after a student’s expected date of graduation.

Below is a full listing of the types of education records that the university maintains; the location(s) of such records; and their custodians (or the custodian’s designee).

*Health and counseling records are maintained by the University Health Service and the Counseling Center and are available only to health professionals. A professional designated by the student in writing may see that student’s records.

**Complaint Procedure**

A student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by Tufts to comply with the requirements of FERPA. A complaint must be submitted to the Department within 180 days of the date of the alleged violation or of the date that the student knew or reasonably should have known of the alleged violation. The name and address of the office that administers FERPA and accepts such complaints is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

EUROPEAN ECONOMIC AREA (EEA) PRIVACY STATEMENT

EEA Privacy Statement for Students
This statement provides information about the use of EEA Personal Data provided by prospective students and applicants for admission to the schools’ programs and for financial aid for those programs. This statement provides notice under the General Data Protection Regulation (GDPR) for the European Economic Area (EEA). The GDPR became effective on May 25, 2018. The GDPR is a regulation adopted for the EEA that governs the use and processing of personal information. Tufts is committed to processing your EEA Personal Data in compliance with the GDPR and has prepared this statement to provide you with information about your rights under the GDPR. This statement should be read with the EEA Privacy Statement.

What is “EEA Personal Data”?
For purposes of this statement for prospective students and applicants, your personal information is EEA Personal Data if it is “personal data” (as defined in the GDPR), and you are in the EEA when you provide (or arrange to provide) the personal information to us in connection with your interest in our academic programs and/or applying for admission to, or financial aid for, those programs. (In some cases, for purposes of other of Tufts EEA Privacy Statements, EEA Personal Data includes personal information Tufts collects or otherwise processes in the context of our established study abroad programs in the EEA.)

The GDPR defines “personal data” broadly. It includes “any information relating to an identified or identifiable natural person.” Examples of personal data include your “name, an identification number, location data, an online identifier [and] factors specific to [your] physical, physiological, genetic, mental, economic, cultural or social identity.” GDPR Article 4(1).

The GDPR often uses the term “processing,” which includes any way of working with personal data, from collecting to using to sharing to disposing of it. GDPR Article 4 (2).

Who will process my EEA Personal Data?
The information provided here applies to the collection, use, sharing, disclosure and other processing of your EEA Personal Data by Tufts University and its schools as part of the admissions and financial aid process. The schools assessing your application for admission and for financial aid may provide you with additional statements about how they will collect, use, share, disclose and otherwise process your EEA Personal Data as you progress through the admissions and financial aid process.

What EEA Personal Data will be collected, used or otherwise processed?
For prospective students and applicants to undergraduate and graduate degree and certificate programs of the School of Arts and Sciences, the School of Engineering, and the School of the Museum of Fine Arts at Tufts:

Tufts will use the details provided, including through the College Board, on your Common Application, the Coalition Application, or the Questbridge application (undergraduate programs) or the graduate program application, supplementary application materials, together with the supporting documents requested and additional details provided by the persons submitting letters of recommendation or recorded following an interview, if one is conducted. Tufts will also use personal details you provide on any inquiry form (web-based, hand-written inquiry cards at recruitment events and information sessions), registration forms and inquiry email.

Tufts may also receive information from the US government, including the Department of Education, A Better Chance, The Greenlight Fund, Hobsons, Inc., YouVisit, Parchment, Escrip-SAFE for transcript delivery, other universities and colleges in connection with joint programs, Educational Testing Service (including for the Test of English as a Foreign Language (TOEFL)), the International English Language Testing System (IELTS), the International Baccalaureate (IB) program, the Fulbright Foreign Student Program, the Institute of International Education, America-Mideast Educational and Training Services (AMIDEAST) and other similar organizations.

If applicable, Tufts also processes the information submitted in connection with your financial aid application. For certain degree programs, we will also conduct background-screening checks for safeguarding purposes.
Additional information about the collection, use, combining and other processing of your EEA Personal Data is available by contacting the Admissions and Financial Aid offices of each school.

For more information about the specific types of personal information, we collect and why we do so, please see the following Section 4.

For prospective students and applicants to the School of Medicine, Sackler School of Graduate Biomedical Sciences, School of Dental Medicine, Gerald J. and Dorothy R. Friedman School of Nutrition Science and Policy, the Cummings School of Veterinary Medicine and The Fletcher School of Law and Diplomacy:

Tufts will use the details provided, including on your application, submitted to us by you, a third party application service, such as the American Medical College Application Service (AMCAS), the American Dental Education Association Associated American Dental Schools Application Service (ADEA AADSAS), and the Veterinary Medical School Application Service (VMCAS), or otherwise, supplementary application materials, together with the supporting documents requested and additional details provided by the persons submitting letters of recommendation or recorded following an interview, if one is conducted. If applicable, some Tufts schools also process the financial information submitted in connection with your financial aid application. For certain degree programs, the school may also conduct background-screening checks for safeguarding purposes and to make sure that its students are available for professional rotations and licensure.

Tufts may also receive information from the US government, including the Department of Education, other universities and colleges in connection with joint programs, Educational Testing Service (including for the Test of English as a Foreign Language (TOEFL)), the College Board, and Association of Professional Schools of International Affairs (APSIA), the International English Language Testing System (IELTS), and other similar organizations.

Additional information about the collection, use, combining and other processing of your EEA Personal Data is available by contacting the Admissions and Financial Aid offices of each school. For more information about the specific types of personal information, we collect and why we do so, please see the following Section 4.

All Schools – Sensitive Personal Data

In addition to the personal information referred to above, Tufts may process some EEA Personal Data about you that is classified as “special category” EEA Personal Data, which requires additional protections under the GDPR. This includes information you may provide concerning your race, ethnicity, sexual orientation, or health/disability that we use for planning and monitoring purposes, or in order to provide care, help or suitable adjustments. For certain programs of study, other sensitive information may be processed, such as information about past criminal convictions and your fitness to practice in certain regulated professions. Access to, and the sharing of, this sensitive or “special category” EEA Personal Data are managed very carefully.

What is the purpose and lawful basis of the processing?

Tufts will use your EEA Personal Data provided on your admission application, the financial aid application, and the other information referred to above for the purposes of answering questions you may have, identifying you, processing your application, verifying the information provided, assessing your candidacy for admission to the programs to which you applied and deciding whether to offer you admission to those programs, assessing your eligibility for financial aid and determining what financial aid will be offered to you, and communicating to you those outcomes. The following table provides additional information about specific types of personal information we collect and otherwise process, the reasons we do so, and which legal bases under the GDPR are applicable. This table includes types of personal information you may be required to provide, as well as information that may be optional to provide. We require you to provide your personal information (except for questions marked as optional) during the admissions and financial aid processes in order to assess your candidacy properly. The following table also includes information that may be collected from other persons or organizations. Admissions and financial aid decisions are not automated. The information provided below includes information that our schools may receive, including in some cases information that
may be provided voluntarily that is not required for a complete application. However, the information used by a particular school in its admission and financial aid processes may not include all of the information listed below.

| **Personal History**  
including interests, extracurricular activities, references and recommendations and other personal information you may choose to volunteer about yourself, your family members, or other persons, including in your application or your essay, and other information we may learn about your or their background | To evaluate your eligibility for admission; to evaluate eligibility for merit and endowed scholarships with specific requirements; to respond to records requests | • To process transactions requested by you and meet our contractual obligations  
• Our legitimate interests  
• Your consent, if applicable |
| **Employment and Professional History and Criminal Record** including resume or CV, job title, location, and work experience, professional certifications, and your self-reported and publicly available criminal record | To evaluate your eligibility for admission; to evaluate your ability to comply with professional training and licensure requirements; to evaluate eligibility for merit and endowed scholarships with specific requirements; to respond to records requests; to evaluate and assess the type of violation committed and how it may impact our university community | • To process transactions requested by you and meet our contractual obligations  
• Our legitimate interests  
• For compliance with a legal obligation  
• Your consent, if applicable |
| **Personal Financial Information** including Social Security number or other tax identification number, personal and business tax reports, wages and benefits, scholarships and grants, bank statements and account numbers, socioeconomic status, and family support | To evaluate your eligibility for financial aid and determining what financial aid will be offered to you; to respond to records requests | • To process transactions requested by you and meet our contractual obligations  
• Our legitimate interests  
• For compliance with a legal obligation  
• Your consent, if applicable |
| **Family Financial Information** including family member names, ages, education, occupations, wages, and savings | To evaluate your eligibility for financial aid and determining what financial aid will be offered to you; to respond to records requests | • To process transactions requested by you and meet our contractual obligations  
• Our legitimate interests  
• Your consent, if applicable |
| **Payment Information** depending on your means of payment, your payment card number or your bank and bank account number | To receive payment of application fees and refunds, if applicable | • To process transactions requested by you and meet our contractual obligations  
• Our legitimate interests  
• Your consent, if applicable |

Additionally, Tufts may use or disclose the information provided for statutory, public interest and other purposes, including:
• To prevent or detect fraud.
• To comply with applicable laws, regulations, and Tufts’ policies, including but not limited to its non-discrimination policy.
• To help us to make reasonable accommodations for any disability, as requested by you.
• To allow for consideration of any future accommodation requirements.
• To offer and deliver university news, goods, services, and experiences to you.
• To help inform and support university and school planning and decision making.
• To provide information required by governmental and accrediting organizations.
• To conduct research and statistical analysis and no information that could identify you will be published in connection with this type of analysis.
• If you are admitted and enroll, facilitating your education (such as by sharing EEA Personal Data with registrars and others in order to enable your enrollment and participation in the school to which you have been admitted).

In addition to the purposes stated above, the University considers the processing of your personal information for the above purposes necessary to comply with a legal obligation (e.g. non-discrimination and professional licensing requirements), to establish, exercise or defend legal claims, and to perform tasks carried out in the public interest (e.g. admissions research).

Your EEA Personal Data will be transferred out of the EEA to the USA, which has different privacy laws than those of the EEA. Tufts has adopted appropriate measures to protect your EEA Personal Data. In most cases, the transfer of your EEA Personal Data is necessary for the performance of a contract between you and Tufts, for the implementation of pre-contractual measures, for the conclusion or performance of a contract concluded in your interest, or for important reasons in the public interest. In limited circumstances, the transfer may be necessary for the establishment, exercise or defense of legal claims or to protect your vital interests.

Will Tufts share my EEA Personal Data with others?
Your application and related materials will be shared with the appropriate faculty and staff at Tufts. Each school has developed its own practices for sharing your personal information based on its consideration of the type and sensitivity of the personal information, the purpose for which the information was provided or otherwise collected, the purpose for sharing the personal information, and the safeguards used to protect the shared information. Accordingly, under certain, considered circumstances, and when relevant, your personal information may also be shared with:

• Parents, Spouses, and Guardians. In some cases, we may share your EEA Personal Data with a parent, spouse, or guardian if necessary, to properly complete the admissions process or in the event of an emergency.
• Service Providers. We may use third parties to support our operations and provide services to our prospective, admitted or enrolled students. In such cases, we may share your information with these third parties.
• School Counselors and Administrators. We may share your information with your school counselors and administrators.
• University Affiliated Programs. We may share your information with third parties that are affiliated with the University for the purpose of contacting you about goods, services, or experiences that may be of interest to you.
• Research and Studies. We may share your information with third parties that study admissions or other topics related to higher education. We may also share your information with third parties that conduct research or develop products or services designed to improve admissions and other higher education functions.
• Required by Law. We may share your information with third parties to the extent we are required to do so by law, court order, or subpoena. In the case of international applicants, we may share your information with appropriate agencies including the U.S. Citizenship and Immigration Services in order to act as your sponsor for visa purposes.
• Emergency Circumstances. We may share your EEA Personal Data with a person you have designated as an emergency contact or with other third parties, if, in our sole judgment, such disclosure is necessary to protect your health, safety, or property or the health, safety, or property of any other person.
• Compelling Purpose. We may share your information in other cases when there is a compelling purpose regarding benefit to Tufts or members of our community.
• De-Identified and Aggregate Information. We may use and disclose information about our applicants in de-identified or aggregate form without limitation.

How is my EEA Personal Data used if I am admitted and decide to enroll?
If you are accepted and decide to enroll, we will use your personal information for the purposes described at “How is my EEA Personal Data used?” in the EEA Privacy Statement for Students, as amended from time to time. Further information about this will be provided in your offer of admission, and if applicable, your financial aid decision. If you are accepted and decide to enroll, Tufts will also provide data about you to the National Student Clearinghouse and other external agencies and funding bodies, as required.

How long will my EEA Personal Data be kept?
We will store your EEA Personal Data for as long as necessary to complete the application process. Some schools store applicant information permanently. If admitted, your personal information will normally be kept for at least one year or longer after the completion of the application process, depending on the policy of the school to which you applied. If you are admitted and decide to enroll, your personal information will be kept as part of your student record for the duration of your studies (and it may be used as part of our assessment of any future application you make for further studies at Tufts). Details about how long different types of information are retained by Tufts is published at Records Retention Schedule and is available from the school to which you applied. Additional information about how long student information may be retained is available in the EEA Privacy Statement for Students.

What rights do I have with respect to my EEA Personal Data?
The GDPR provides you with several specific data protection rights with respect to your EEA Personal Data. These are generally described below. Further details, including how to submit a request, are published at How to Make a Subject Rights Request under the GDPR.

• The right of access. You have the right to confirmation of the EEA Personal Data that is processed about you by Tufts and to a copy of the information. This right is subject to limitations, including that providing a copy will not adversely affect the rights of others.
• The right to correct. The GDPR includes a right for you to have inaccurate EEA Personal Data rectified, or taking into account the purposes of the processing, completed if it is incomplete.
• The right to erasure (also known as the right to be forgotten). The GDPR includes a right for individuals to have their EEA Personal Data erased in certain limited circumstances. This right is not absolute.
• The right to restrict processing. You have the right to request the restriction or suppression of your EEA Personal Data. This is not an absolute right and only applies in certain circumstances. If processing is restricted, Tufts would not be permitted to use the data without your consent, unless in connection with a legal claim, the protection of another person, or other exceptions. Tufts would be permitted to continue to store the information.
• The right to data portability. The right to data portability allows you to obtain an electronic copy of your EEA Personal Data to enable you to reuse that data for your own purposes across different services. This right allows you to move, copy or transfer EEA Personal Data easily from one IT environment to another. This right only applies to information you have provided to Tufts and depending on the context, applies to some of your information, but not to all of your information.
• The right to object. The GDPR gives individuals the right to object to the processing of their personal data in certain circumstances, in the absence of a compelling reason for the continued processing.

Where can I go if I have questions?
If you have any questions about how your EEA Personal Data is used, or wish to exercise any of your rights, please consult the EEA Privacy Statement and How to make a Subject Rights Request under the GDPR at Privacy. If you need further assistance, please contact Tufts’ Data Privacy Team at dataprivacy@tufts.edu, or your prospective school as appropriate.
If you are not happy with the way your EEA Personal Data is being handled, or with the response received from us, you have the right to lodge a complaint with the GDPR supervisory authority in the EEA country where you habitually reside, where you work, or where you believe an infringement of the GDPR occurred.

**Changes to this Privacy Statement**
Tufts University reserves the right to change, modify, or otherwise amend this Privacy Statement at its sole discretion and at any time as it deems circumstances warrant. Any such changes will be posted on this page. This Privacy Statement was last updated on June 11, 2019.
A Student Activity Fee is collected from all students enrolled in the Public Health and Professional Degree (PHPD) Programs. These funds are used to finance the fitness center, student activities, events, educationally related travel and for Public Health Student Senate-related activities. Requests for funds must be submitted via a Student Activity Fund Request Application to the Student Activity Fee Committee that includes the Associate Dean of PHPD Programs, 2 Public Health Student Senate Members, and a Faculty Member. Approval of funding requests will be based on the merit of a student’s application and the availability of funds. Priority is given to students who are presenting a poster or paper at a conference or meeting. If you are a dual degree student the committee recommends seeking support from both programs for which you are affiliated, and noting so on your application. Funds cannot be used to support academic or departmental related projects. All recipients of funds will be expected to provide an accounting of funds received. Guidelines for specific types of requests are noted below. Following these guidelines, does not guarantee a successful award.

**Events and Speakers**
Funding requests for events and speakers must include a direct message to all PHPD Programs’ students and may not be an extension or part of an academic course. All requests must be submitted prior to the application deadline for events taking place after the application deadline.

- Events should have the students as a focus and be of interest to them
- Outreach for attendees should be aimed primarily to the PHPD Programs’ students
- Speakers’ message should directly address a topic related to one or more of the Public Health and Professional Degree program areas.

**Travel/Conference Requests**
Travel funding requests must be submitted prior to the application deadline for events taking place after the application deadline. Ideally, requests should focus on conferences, competition or student presentation opportunities. All requests must be submitted prior to the application deadline for events taking place after the application deadline. A successful request will include the following:

- A statement of how the newly acquired knowledge will contribute to the student’s professional development
- Safe housing accommodations that are reasonably priced
- Travel dates that correspond exactly with the conference and do not include extra days before or after. This does not apply if you are locked into reservations for the night before or after the conference because of your mode of transportation
- The student contributes financially to some portion of the trip
- Written support of this trip from the relevant program director or concentration leader
- Students willingness to share their acquired knowledge or research in a mutually agreed upon forum

**Application Process**
- Write a brief statement explaining what you want to do and why you think your deserving of financial support.
- Complete an application form providing the required supporting documentation:
  - A written letter per application instructions
  - Complete an itemized budget summary
  - Include any supporting documents you think will benefit your application e.g. conference brochure etc.
  - Program Director or Concentration Leader approval signature.
- Applications can be found online in the [Current Student’s section of the website](#).

**Deadline**
The Committee reviews completed applications twice a semester on September 15, November 15th, January 15th, March 15th and June 15th. Late or group submissions are not accepted.

Submit Student Activity Fund Application to:
Notice of Decision
Award/decline notices will be sent via email 2 – 3 days after the Committee meets unless stated otherwise. If an application is declined, a student may re-apply by re-submitting it with revisions for review by the Committee at their next meeting.

STUDENT ORGANIZATIONS/CLUBS

The Office of Public Health and Professional Degree Programs fully supports students’ extracurricular activities, so if you are interested in starting a new student organization, please follow the procedures below and your request will be considered by the PHPD Programs’ Directors at their October meeting. Requests for new student organizations are only considered once a year and the application deadline is September 28th. Recognized new student groups will be eligible for funding via the student activity fund request process (see Student Activity Fee Allocation). New student organization applications must include the following:

General Information
- Club/Organization Name
- Program (MPH, MS-Health Communication, MS-Pain, MS-Biomedical Sciences etc.)
- Email and Phone Number
- Student Representative Name and Signature
- Faculty Advisor Name and Signature

Registration Requirements
- Membership must be open to all Tufts University School of Medicine students with priority given to students in the Public Health Programs and Professional Degree programs.
- Constitution (see guidelines below) approved by the members and the leadership of the group
- There must be at least 10 current and active members and a list of their names and programs must be provided.
- Disclosure of any other Tufts funding sources
- Detailed Budget
- Name of faculty advisor (signature required on application)
- All groups approved must submit an annual summary including an overview of activities during the previous year and a final budget report by June 1. Groups must submit a renewal of group registration, including new officer’s names, positions, contact information and proposed activities plan along with a budget by September 15th.

Constitution Guidelines
- Clearly define the organization’s mission and impact. Provide examples of the type and nature of expected programs and activities.
- Define the expected membership including both the voting members and non-voting members.
- Define organizational leadership in terms of:
  - Who qualifies to run for office
  - How the election will be held (specific election plan and process)
  - Identify at least two specific leadership positions (president and treasurer) and leave room for others as needed
  - Define the nomination process, notifications, and necessary lead times
  - Scope of authority for the leadership team
- Define succession planning for leadership in terms of:
  - Length of term for elected offices
  - Limitations on successive terms in office (if any)
  - Timing of elections (strongly encourage March/April)
  - Methodology of elections – in-person, on-line, electronic, etc. (all methods should be private)

Define the necessary lead time and notifications process

- Define your organization's **operating processes** in terms of:
  - General membership meetings: timing, frequency, notification
  - Executive leadership meetings: timing, frequency, notification, agenda, reporting back to the general membership
  - Communication and notification process for group sponsored activities, events, etc.

- Define and identify the specific procedures for changing the Construction of By-laws of the organization

**Application Deadline:** September 28th. *Late submissions will not be accepted.*

STUDENT ORGANIZATION/CLUB FUNDING & EXPENSE REIMBURSEMENT

GENERAL GUIDELINES

When possible, all related purchases should be paid by the Public Health & Professional Degree Programs Student/Academic Services Assistant. In all other cases, the policy detailed below should be followed:

In order to be reimbursed for activities or travel, a student or group/club must have had approval via the Student Activity Fund Request process. Only the President or Treasurer of the group/club can make a request for reimbursements.

A Business Expense Reimbursement Form must be completed for each event unless it is travel related, in which case a separate Travel Authorization and Reimbursement Form must be completed. A copy of these forms can be obtained from the PHPD Academic/Student Services Assistant.

All expense forms must contain the name of the person who is being reimbursed, his/her signature and mailing address. The reimbursement check is mailed directly from Tufts Support Services (TSS) to the address listed on the expense form, so if you plan to move please ensure that the address is where you want the check mailed. Once the expense form is complete with student signature, it can be submitted to the Academic/Student Services Assistant for the necessary additional signatures. The PHPD Office will submit the completed form and original receipts to TSS for payment. The usual turnaround time from TSS is about 10 days from the day they receive the forms.

All expense forms must be submitted to Accounts Payable within 30 days of the event or travel.

RECEIPTS AND OTHER REQUIRED DOCUMENTATION

Original, itemized receipts must be submitted with the appropriate reimbursement form. Additionally, for air travel; original boarding pass(es) must be provided, and for events that involve food; a list of attendees must be provided. If you used a credit/debit card for purchases you intend to be reimbursed for, please be prepared to supply an original receipt, a credit card statement or other documentation reflecting the charge.

Costs incurred through the purchase of alcoholic beverages and sales tax cannot be reimbursed by the University.

There will be no exceptions to the Receipt/Required Documentation Policy.

Events sponsored via student activity funds must be advertised via the PHPD email list-serve or the PHPD social media accounts.

CONTRACTS/DEPOSITS

Students are NOT authorized to sign contracts on behalf of the University and should not use their personal credit card for payment of a club activity/event requiring a contract. Events requiring a contract or deposit, students must contact the Assistant Director of Student Services for PHPD in the Office of PHPD Programs in advance to make arrangements. This is to protect you as a student in case something goes wrong.

USING OUTSIDE SERVICES

A Consultant form must be submitted for using any outside commercial services. For example, if you would like to pay a guest speaker a stipend for an event you would need a check processed by Tufts for the service. Since you are not receiving any goods, an itemized receipt would not be valid. In this example you would need to have the speaker complete a form and a guest speaker honorarium form. These and other required forms can be obtained from the PHPD Academic/Student Services Assistant.

Please do not use personal checks or cash.
**USING TUFTS SERVICES**

Most services used during normal business hours around campus are free of charge. Events that require set up or extensive cleaning after 3:00 PM on weekdays or on weekends may incur facility fees. There are also fees associated with mandatory Tufts Police supervision for events on school property where alcohol is served. If you believe your event will involve additional services required from Facilities or Tufts Police, please contact the PHPD Academic/Student Services Assistant for guidance.

**USE OF TUFTS NAME/INSIGNIAS**

The Tufts name, logo and seal cannot be used in commercial endeavors or in business or political promotions without permission. Requests to use the Tufts name or seal should be directed to the Assistant Dean of Student Services for PHPD Programs who will forward it with a recommendation to the Medford Campus.
STUDENT GOVERNMENT

PUBLIC HEALTH STUDENT SENATE

The Public Health Student Senate (PHSS) represents students in the MPH (including MS-Nutrition/MPH, Bachelors/MPH, JD/MPH, MD/MPH, DVM/MPH), DrPH, MS-HIA, MS-Health Communication, MS-Pain Research, Education and Policy, MS-Biomedical Sciences, and Physician Assistant Programs. It serves as a vehicle for students to organize themselves to improve student life and it serves as the formal body that represents students in relationship with the Public Health and Professional Degree Programs faculty and administration. The Senate membership consists of a representative from each program and MPH track. They meet monthly and as needed a program director or an administrative representative is invited to attend. Senate members participate in the governance of the programs by sitting on some of the faculty committees e.g. Admissions, Promotion, Academic Affairs, and PHPD Directors. Bi-annual student feedback forums are held by the Senate and students are also encouraged to propose agenda items to the Senate President for discussion at the monthly meetings, and to communicate.

Purpose of the Senate

- To protect and promote the interests of the student body
- To represent the student body of the Public Health and Professional Degrees Program (PHPD)
- To improve general student welfare and encourage student involvement
- To gather and express student opinions, views, and concerns
- To ensure that PHPD students are fully apprised of all information of impact to their graduate experience
- To foster cohesiveness and a sense of community within the entire graduate population

Minimum Requirements/Expectations of Senate Members

- Ability to represent the student body of the PHPD and promote the purpose of the Public Health Student Senate
- Ability to serve a September - August term (students graduating in May have the option to resign after May 31st)
- Ability to attend no less than 75% of the monthly meetings
- Willingness to potentially run for senate offices including: Finance or Secretary
- Willingness to potentially serve as a representative on a Faculty Committee including: Admissions Committee, Academic Affairs Committee and Promotions Committee
- Ability to be a creative, enthusiastic and helpful member of a team
- Ability to fulfill any and all responsibilities and obligations assumed as seen by the PHPD faculty and administration, Student Senate, and Student Senate President

Funding

The PHPD program provides a set budget for senate activities and functions. The funds in this account can be rolled over from year to year. The PHPD administration will be responsible for the maintenance and oversight of this account.
