Transcript Reconciliation for MS-Nutrition/MPH Combined Degree

Student Name: _____ Student ID: _____

Friedman Program: _____ MPH Concentration: _____

During your final semester at Tufts: please review both the MS-Nutrition and MPH transcripts and categorize all of the courses taken from both transcripts.

1) Print unofficial copies of both MS-Nutr and MPH transcripts.
2) Obtain copy of degree requirement worksheets and complete this form.
3) Make an appointment with Aviva Must (MS-Nutr/MPH Director) to review this form.
4) Turn in a copy of this form plus the *MS/MPH Transfer Credit for Transcript Reconciliation* form to the PHPD Registrar's Office. The Registrar will share a copy of this information with the Friedman School of Nutrition.
5) Please note this is NOT an application for graduation. Students should be sure to complete this necessary paperwork with both the Friedman School and the Public Health and Professional Degree Program.

A: Courses that only count toward the MPH			**B: Courses that count toward both degrees (no more than 9 courses)**			**C: Courses that only count toward the MS-Nutrition**		
Course	**Credit**	**Now listed on which Transcript? (e.g. Nut F'06)**	**Course**	**Credit**	**Now listed on which Transcript? (e.g. Nut F'06)**	**Course**	**Credit**	**Now listed on which Transcript? (e.g. Nut F'06)**
TOTALS			MPH degree = 42 credits					
						MS-NUTR degree = 48 credits		

General requirements to keep in mind:

a) Students must earn 63 credits to earn the MS-Nutr/MPH degree.
b) Courses that meet requirements for each degree must appear on that degree's transcript.
c) Students must meet tuition requirements for each degree**.**
